The Company will issue a certificate or holding statement to each Holder in respect of Specified Securities granted or issued to them.

11. TERMS RELEVANT TO OPTIONS

11.1 Terms

Unless otherwise determined by the Board when it resolves to grant the Option, each Option is granted on the following terms:

Exercise of Options

- (a) If any Performance Criteria are imposed on a Holder, that Holder may only exercise their Options upon satisfaction of the Performance Criteria and prior to the Expiry Date.
- (b) Notwithstanding paragraph (a) above, all Options may be exercised:
 - (i) where a Takeover Event occurs; or
 - (ii) in the Board's absolute discretion, in the event of the death or Permanent Disablement of an Eligible Participant.
- (c) If, in the reasonable opinion of the Board, an Eligible Participant acts fraudulently or dishonestly in any material respect or is in material breach of his or her obligations to any Group Company, then, notwithstanding any other provision in these Rules, the Board may deem any unexercised Options of the Eligible Participant to have lapsed.

Notice of Exercise

- (d) Options may only be exercised by delivering an Option Exercise Notice as executed by the Holder to the principal place of business of the Company. The Option Exercise Notice must specify the number of Options being exercised and contain an election as to whether the Holder wishes to utilise the cashless exercise facility in rule 11.2. Where the Holder does not utilise the cashless exercise facility, the Option Exercise Notice must be accompanied by the Exercise Price for the number of Options specified in the Option Exercise Notice and the Option Exercise Notice only becomes effective when the Company has received the full amount of the Exercise Price for the number of Options in cleared funds.

Where the Holder elects to utilise the cashless exercise facility, rule 11.2 will apply.

Issue of Certificates

- (e) Subject to paragraphs (a) and (d) above, the Holder having complied with the terms of the Options and subject to any necessary consents or approvals required to be obtained by the Company, within 10 Business Days of the Option Exercise Notice referred to in paragraph (d) above becoming effective, the Board must:
 - (i) allot and issue the number of Shares specified in the Option Exercise Notice to the Holder;
 - (ii) cancel the certificate for the Options exercised; and
 - (iii) if applicable, issue a new certificate for any remaining unexercised Options covered by the certificate accompanying the Option Exercise Notice.

Issue of Shares

- (f) Subject to these Rules (including restrictions on dealing in rule 16), all Shares issued upon the exercise of Options will be of the same class and rank equally in all respects with other Shares in the Company, and, in particular, entitle their holders to participate fully in:
 - (i) dividends cleared by the Company after the date of issue; and
 - (ii) all issues of securities offered to holders of Shares where entitlements to participate in those issues are determined by reference to a record date after the date of issue of Shares upon the exercise of Options.

Official Quotation

- (g) If the Company's Shares are officially quoted by ASX, the Company must apply for official quotation by ASX of all Shares allotted pursuant to the exercise of Options not later than 10 Business Days after the date of issue or any shorter period prescribed by the Listing Rules. The Company does not intend to apply to have the Options granted under the Plan quoted on ASX.

New Issues

- (h) In the event of a pro rata issue (except a bonus issue) to the holders of Shares, the Exercise Price of an Option may be reduced using the formula:

$$O' = O \frac{E[P - (S+D)]}{N + 1}$$

where:

- O' = the new exercise price of the Option.
- O = the old exercise price of the Option.
- E = the number of shares into which one Option is exercisable.
- P = the average market price per share (weighted by reference to volume) of the Shares during the 5 trading days ending on the day before the ex rights date or ex entitlements date.
- S = the subscription price for a share under the pro rata issue.
- D = the dividend due but not yet paid on the existing Shares (except those to be issued under the pro rata issue).
- N = the number of Shares with rights or entitlements that must be held to receive a right to one new Share.

Bonus issues

- (i) If, prior to the expiry of any Options, the Company makes a bonus share issue to the holders of Shares on a pro rata basis, by way of capitalisation of profits or reserves (other than an issue in lieu of dividends) (a "**Bonus Issue**"), the number of Shares over which an Option is exercisable will be increased by the number of Shares which the Holder would have received if the Option had been exercised before the date the Shares the subject of the Bonus Issue had been

duly allotted and issued ("**Bonus Shares**"). The Bonus Shares must be paid up by the Company out of profits or reserves (as the case may be) in the same manner as was applied in relation to the Bonus Issue and upon issue rank equally in all respects with the other shares of that class on issue at the date of issue of the Bonus Shares.

Reconstruction of capital

- (j) In the event that, prior to the expiry of any Options, there is a reconstruction (including consolidation, subdivision, reduction, return or pro-rata cancellation) of the issued capital of the Company, then the number of Options to which each Holder is entitled or the Exercise Price or both will be reconstructed in the manner required by the Listing Rules.

Advice

- (k) The Company must give notice to each Holder of any adjustment to the number of Shares for which the Holder is entitled to subscribe or to the Exercise Price pursuant to the provisions of paragraphs (h), (i) or (j) above.

No Dividends

- (l) A Holder will not be entitled to dividends in respect of the Options.

11.2 Cashless exercise of Options

- (a) The Holder may elect not to be required to provide payment of the Exercise Price for the Options specified in an Option Exercise Notice, but that on exercise of those Options, the Company will issue to the Holder that number of Shares equal in value to the positive difference between the then Market Value of the Shares at the time of exercise and the Exercise Price that would otherwise be payable to exercise those Options (with the number of Shares rounded down to the nearest whole Share).
- (b) For the avoidance of doubt, the issue of Shares pursuant to the process described in rule 11.2(a) will be in full and final satisfaction of the Company's obligations in respect of the Options so exercised.
- (c) By way of example of the cashless exercise facility:
- A Holder holds 50 Options, with an Exercise Price of \$1 each.
 - If that Holder elected to exercise those Options, the Holder would be required to pay \$50, and they would receive 50 Shares.
 - However, if the Holder elected a "*cashless exercise*", and the Market Value of the Shares at the time of exercise was \$1.50, the Holder would pay no cash and receive 16 Shares, based on the following:

$$S = \frac{O(MV-EP)}{MV}$$

Where:

S = number of Shares to be issued on exercise of the Options

O = number of Options being exercised

MV – Market Value of the Shares at the time of exercise

EP = Exercise Price

That is, using our example:

$$S = \frac{50(\$1.50 - \$1.00)}{\$1.50}$$

$$S = 16.67,$$

which is rounded down to 16 Shares. The issue of these 16 Shares is in full and final satisfaction of the 50 Options.

12. TERMS RELEVANT TO PERFORMANCE RIGHTS

Unless otherwise determined by the Board when it resolves to issue the Performance Rights, each Performance Right is issued on the following terms (being in addition to Performance Criteria imposed):

Conversion

- (a) Upon satisfaction of the relevant Performance Criteria or where a Takeover Event occurs, each Performance Right will, at the election of the holder, vest and convert into one Share. Further, at the Board's absolute discretion, each Performance Right may vest and convert into one Share in the event of the death or Permanent Disablement of an Eligible Participant.

No Consideration payable

- (b) No consideration will be payable upon the vesting and conversion of the Performance Rights.

No Voting rights

- (c) A Performance Right does not entitle a holder to vote on any resolutions proposed at a general meeting of shareholders of the Company.

No dividend rights

- (d) A Performance Right does not entitle a holder to any dividends.

No rights on winding up

- (e) A Performance Right does not entitle the holder to participate in the surplus profits or assets of the Company upon winding up of the Company.

Reconstruction of capital

- (f) If there is a reorganisation (including consolidation, sub-division, reduction or return or pro-rata cancellation) of the issued capital of the Company, the rights of a holder will be reconstructed in accordance with the Listing Rules.

Quotation of Shares on conversion

- (g) An application will be made by the Company to ASX for official quotation of the Shares issued upon the conversion of each Performance Right within the time period required by the Listing Rules. The Company will not apply for quotation of the Performance Rights on ASX.

No participation in entitlements and bonus issues

- (h) A Performance Right does not entitle a holder to participate in new issues of capital offered to holders of Shares, such as bonus issues and entitlement issues.

No other rights

- (i) A Performance Right does not give a holder any other rights other than those expressly provided by these terms and those provided at law where such rights at law cannot be excluded by these terms.

Lapse

- (j) If the Performance Criteria relevant to a Performance Right has not been satisfied by the relevant expiry date, then the Performance Rights will automatically lapse. Further, if, in the reasonable opinion of the Board, an Eligible Participant acts fraudulently or dishonestly in any material respect or is in material breach of his or her obligations to any Group Company, then, notwithstanding any other provision in these Rules, the Board may deem any unconverted Performance Rights of the Eligible Participant to have lapsed.

13. LIMIT ON NUMBER OF SPECIFIED SECURITIES

An invitation or offer of Specified Securities may only be made under the Plan if the number of Shares that have been or may be acquired or issued on exercise of the Options or conversion of the Performance Rights when aggregated with:

- (a) the number of Shares which would be issued if each outstanding offer with respect to Options or Performance Rights, being an offer made during the previous 3 years pursuant to the Plan or any other employee incentive scheme was to be accepted or exercised or converted; and
- (b) the number of Shares issued during the previous 3 years pursuant to the Plan or any other employee incentive scheme,

but disregarding any offer made, or Option or Performance Right acquired or issued, by way of or as a result of:

- (c) an offer to a person situated outside of Australia at the time of receipt of the offer;
- (d) an offer did not require disclosure to investors because of section 708 of the Corporations Act; or
- (e) an offer made under a disclosure document (within the meaning of the Corporations Act),

does not exceed 5% of the total number of issued Shares of the Company as at the time of the invitation or offer.

14. CEASING TO BE AN ELIGIBLE PARTICIPANT

- 14.1 If at any time before the exercise of an Option or conversion of a Performance Right, a Holder or the representative of a Holder (where the Holder is a Nominee) ceases to be an Eligible Participant, all Options or Performance Rights held by the Eligible Participant will automatically lapse unless the Board otherwise determines within 30 days of the Holder or the relevant representative ceasing to be an Eligible Participant.
- 14.2 If a Holder or the representative of a Holder (where the Holder is a Nominee) ceases to be an Eligible Participant at any time before the exercise of an Option or conversion of a Performance Right, the Holder (or the relevant representative) may, subject to these Rules, during the period of 30 days after the date on which the Holder (or the relevant representative) ceases to be an Eligible Participant, exercise any Option or convert any Performance Right which the Holder (or the relevant representative) would have otherwise been entitled to exercise. Any Options or Performance Rights held by the Holder (or the relevant representative) which are unexercised or unconverted at the expiry of such 30 day period will automatically lapse.

15. TRANSFER OF OPTIONS OR PERFORMANCE RIGHTS

- 15.1 Subject to the Listing Rules, Options or Performance Rights issued under the Plan are not transferable except with the prior written approval of the Board. Any instrument of transfer must be in writing, signed by both parties, duly stamped (if required) and otherwise in such form as the Board may from time to time prescribe. The Board will not register any transfer of an Option or Performance Right made otherwise than in accordance with this rule.
- 15.2 In addition to the transfer limitation in rule 15.1, the Holder may agree to a Restriction Period in respect of the relevant securities as set out in rule 16.

16. RESTRICTION ON DEALING ON OPTIONS, PERFORMANCE RIGHTS OR SHARES**16.1 Restriction**

In respect of all Options and Performance Rights issued under this Plan and, where relevant, Shares issued upon the exercise of Options or the conversion of Performance Rights, the Holder acknowledges that it may agree to a Restriction Period during which the Holder will undertake and agree not to do any of the following:

- (a) dispose of, or agree to offer to dispose of, the relevant securities;
- (b) create, or agree or offer to create, any security interest in the relevant securities;
or
- (c) do, or omit to do, any act if the act or omission would have the effect of transferring effective ownership or control of the relevant securities.

16.2 Holding Lock

During any Restriction Period, the relevant securities will be the subject of a Holding Lock by the Company's share registry. The Company may further refuse to register a paper-based transfer document in respect of the relevant securities.

16.3 Deferred Taxation provisions apply

Subdivision 83A-C (Deferred inclusion of gain in assessable income) of the *Income Tax Assessment Act 1997 (Cth)* will apply to this Plan.

17. COMPLIANCE WITH ASIC CLASS ORDER

18. AMENDMENTS TO THE RULES

18.1 Subject to rule 18.2, the Board may alter, delete or add to the Plan or Rules at any time, but for so long as the Company remains on the official list of ASX such alteration, deletion or addition has no effect unless the relevant requirements of the Listing Rules have been complied with.

18.2 No amendment to the provisions of the Plan, or to any restrictions or other conditions relating to any Specified Security granted or issued pursuant to the Plan, may be made which reduces the rights of Holders in respect of Specified Securities granted or issued to them prior to the date of the amendment, other than any amendment introduced primarily:

- (a) for the purpose of complying with or conforming to present or future State or Commonwealth legislation governing or regulating the maintenance or operation of the Plan or like plans;
- (b) to correct any manifest error or mistake; or
- (c) to take into consideration possible adverse taxation implications in respect of the Plan arising from, amongst others, adverse rulings from the Commissioner of Taxation, changes to taxation legislation (including an official announcement by the Commonwealth of Australia) and/or changes in the interpretation of taxation legislation by a Court of competent jurisdiction.

18.3 As soon as is reasonably practicable after making any amendment under rule 18.1, the Board will give notice in writing of the amendment to any Eligible Participant affected by the amendment.

19. POWERS OF THE BOARD

The Plan will be administered by the Board which has the power to determine procedures from time to time for administration of the Plan consistent with these Rules and resolve conclusively all questions of fact or interpretation arising in connection with the Plan.

20. NO INCORPORATION INTO TERMS OF EMPLOYMENT OR ENGAGEMENT

The rights and obligations of an Eligible Participant under the terms of his/her office or employment with any Group Company are not affected by his/her participation in the

Plan and these Rules do not form part of and are not incorporated into any contract of engagement or employment of any individual or entity with a Group Company and do not confer directly or indirectly on an individual or entity any legal or equitable right whatsoever against a Group Company. No Eligible Participant has any rights of compensation or damages in consequence of the termination of his/her engagement or employment for any reason whatsoever in so far as those rights arise or may arise from his/her ceasing to have rights under the Plan as a result of such termination.

21. GOVERNING LAW

The Plan and these Rules shall in all respects be governed by and shall be construed in accordance with the laws of Western Australia.

22. SEVERANCE

If any provision in these Rules is void, voidable by any party or illegal, it shall be read down so as to be valid and enforceable or, if it cannot be so read down, the provision (or where possible, the offending words) shall be severed from these Rules without affecting the validity, legality or enforceability of the remaining provisions (or parts of those provisions) of these Rules which shall continue in full force and effect.
