EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 30 June 2022 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.auraenergy.com.au.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The Chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – PATRICK MUTZ

3.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Patrick Mutz, having been appointed by other Directors on 18 May 2022 in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

3.2 Qualifications and other material directorships

Mr Mutz has over 40 years of international mining experience across technical, managerial, consulting, executive and director roles, specialising in uranium projects in the USA, Australia and Africa, in all aspects of the mining industry from exploration through project development, mining and mine rehabilitation. He has uranium operational experience in open cut, underground, and in-situ mining and related processing.

Mr Mutz has previously served as CEO / Managing Director of a number of publicly listed and private mining companies based in Australia, primarily involved with project development and transitioning companies from exploration to production.

Mr Mutz is currently Managing Director and CEO of Image Resources NL (ASX: IMA), a Western Australian mineral sands mining company, where he led Image through the successful transition from advanced explorer to profitable mining company, including feasibility study, capital raising, construction, rapid commissioning and full production that led to early repayment of all debt and payment of annual dividends after only the second and third years of operation.

Mr Mutz holds a Bachelor of Science with Honours and an MBA, both from the University of Phoenix. He is a Fellow of the Australasian Institute of Mining and Metallurgy.

3.3 Independence

Mr Mutz currently has no interests, position or relationship that might influence, or reasonably be perceived to influence, in a material respect his capacity to bring an independent judgement to bear on issues before the Board and to act in the best interest of the Company as a whole rather than in the interests of an individual security holder or other party.

Subject to Mr Mutz' election as a Director under this Resolution, Shareholder approval will be sought under Resolution 4 for Mr Mutz to purchase 2,000,000 Loan Funded Shares.

If elected the Board considers Mr Mutz will be an independent Director.

3.4 Other material information

The Company conducts appropriate checks on the background and experience of candidates before their appointment to the Board. These include checks as to a person's experience, educational qualifications, character, criminal record and bankruptcy history. The Company undertook such checks prior to the appointment of Mr Mutz.

Mr Mutz has confirmed that he considers he will have sufficient time to fulfil his responsibilities as a Non-Executive Director of the Company and does not consider that any other commitment will interfere with his availability to perform his duties as a Non-Executive Director of the Company.

3.5 Board recommendation

The Board has reviewed Mr Mutz's performance since his appointment to the Board and considers that his skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the election of Mr Mutz and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – MR PHILIP MITCHELL

4.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Mr Philip Mitchell, who has served as a Director since 21 December 2021, retires by rotation and seeks re-election.

4.2 Qualifications and other material directorships

Mr Mitchell has significant experience in mining M&A having held former roles as Head of Business Development and Strategy at Rio Tinto, former CFO of Rio Tinto Iron Ore, member of the Executive Committee at Anglo American, and headed acquisitions for billionaire Robert Friedland's company, HPX.

As Head of Business Development and Strategy at Rio Tinto, Mr Mitchell was responsible for managing all aspects of the Company's asset and commodity portfolio and was accountable for the M&A portfolio and divestments, in addition to the daily management of the BHP takeover proposal.

As the CFO of Rio Tinto's iron ore business, one the largest Australian business units, Mr Mitchell oversaw all commercial aspects of the business including relationships with all JV partners and government. He was also responsible for developing the strategic plan that dominated profitable expansion to support China's growth.

4.3 Independence

If re-elected the Board considers Mr Mitchell will be an independent Director.

4.4 Board recommendation

The Board has reviewed Mr Mitchell 's performance since his appointment to the Board and considers that their skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Mr Mitchell and recommends that Shareholders vote in favour of Resolution 3.

5. RESOLUTIONS 4 TO 8 – APPROVAL TO ISSUE LOAN FUNDED SHARES TO DIRECTORS

5.1 Background

The Company seeks to invite Messrs Patrick Mutz, David Woodall, Philip Mitchell, Bryan Dixon and Warren Mundine (**Related Parties**), subject to Shareholder approval that is sought under Resolutions 4 to 8 (and Mr Mutz's election under Resolution 2 and Mr Mitchell's re-election under Resolution 3), to participate in the Loan Funded Equity Scheme by each purchasing the following Loan Funded Shares under the Loan Funded Equity Scheme:

- (a) Mr Patrick Mutz – 2,000,000 Loan Funded Shares;
- (b) Mr David Woodall – 16,000,000 Loan Funded Shares;
- (c) Mr Philip Mitchell – 2,000,000 Loan Funded Shares;
- (d) Mr Bryan Dixon – 1,000,000 Loan Funded Shares; and
- (e) Mr Warren Mundine – 1,000,000 Loan Funded Shares.

A summary of the material terms of the Loan Funded Shares are as follows:

- (a) the Loan Funded Shares will be issued at \$0.30 per Loan Funded Share; and
- (b) the Loan Funded Shares will be issued subject to the satisfaction of the following vesting conditions (**Vesting Conditions**):

Tranche	Vesting Condition	Amount of Loan Funded Shares to be issued	Eligible Vesting Date
Tranche 1	(a) Continuous Employment (as defined in the Loan Funded Equity Scheme); and (b) when the daily volume weighted average price (VWAP) of the Company's Shares meets the share price performance hurdle of \$0.50 on 10 days on any 20 sequential trading days.	40%	Eligible to vest from 12 months after grant.
Tranche 2	(a) Continuous Employment (as defined in the Loan Funded Equity Scheme); and (b) when the daily VWAP of the Company's Shares meets	30%	Eligible to vest from 24 months after grant.

Tranche	Vesting Condition	Amount of Loan Funded Shares to be issued	Eligible Vesting Date
	the share price performance hurdle of \$0.75 on 10 days on any 20 sequential trading days.		
Tranche 3	(a) Continuous Employment (as defined in the Loan Funded Equity Scheme); and (b) when the daily VWAP of the Company's Shares meets the share price performance hurdle of \$1.00 on 10 days on any 20 sequential trading days.	30%	Eligible to vest from 36 months after grant.

5.2 Director Recommendation

Each Director has a material personal interest in the outcome of Resolutions 4 to 8 on the basis that all of the Directors (or their nominees) are to be issued Loan Funded Shares should Resolutions 4 to 8 be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on Resolutions 4 to 8 of this Notice.

5.3 Listing Rule 10.14

ASX Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire securities under an employee incentive scheme unless it obtains the approval of its shareholders:

- (a) a director of the Company;
- (b) an associate of a director of the Company; or
- (c) a person whose relationship with the Company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders.

As Mr Mutz is a proposed Director of the Company (to be appointed subject to shareholder approval pursuant to Resolution 2), Mr Mitchell is a current Director (subject to his re-election pursuant to Resolution 3) and Messrs Woodall, Dixon and Mundine are all current Directors, the proposed issue of Loan Funded Shares to each of them constitutes the acquisition of securities under an employee incentive scheme for the purposes of Listing Rule 10.14 and therefore requires the approval of the Company's shareholders under Listing Rule 10.14.

To this end, Resolutions 4 to 8 seek the required Shareholder approval to issue the Loan Funded Shares to the Related Parties, under and for the purposes of Listing Rule 10.14.

If approval is obtained under Listing Rule 10.14, in accordance with Listing Rule 10.12 (exception 4), separate approval is not required under Listing Rule 10.11.

5.4 Technical information required by Listing Rule 14.1A

If Resolutions 4 to 8 are passed, the Company will be able to proceed with the proposed issue of Loan Funded Shares, which will assist in incentivising and remunerating Messrs Mutz, Woodall, Mitchell, Dixon and Mundine in their respective roles. As approval pursuant to Listing Rule 7.1 is not required for the issue of the Loan Funded Shares (because approval is being obtained under Listing Rule 10.14), the issue of the Loan Funded Shares will not use up any of the Company's 15% annual placement capacity.

If the Resolutions are not passed, the Company will not be able to proceed with the proposed issue and the Company may have to consider other mechanisms to incentivise and remunerate Messrs Mutz, Woodall, Mitchell, Dixon and Mundine, which may not be as cost effective for the Company.

5.5 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits the Company from giving a financial benefit to a related party of the Company unless either:

- (a) the giving of the financial benefit falls within one of the exceptions to the provisions; or
- (b) Shareholder approval is obtained prior to the giving of the financial benefit.

The proposed issue of Loan Funded Shares constitutes the giving of a financial benefit.

A "related party" for the purposes of the Corporations Act and the Listing Rules is widely defined and includes a director of a public company, a spouse of a director of a public company or an entity controlled by a director of a public company. The definition of "related party" also includes a person whom there is reasonable grounds to believe will become a "related party" of a public company.

The Board carefully considered the proposed issue of Loan Funded Shares to the Related Parties and formed the view that the giving of this financial benefit to each of them is reasonable remuneration for the purposes of section 211 of the Corporations Act, and relies on this exception for the purposes of Resolutions 4 to 8 in this Notice.

In forming their respective views, the Board (with the conflicted Directors excluded) noted the following:

- (a) The proposed issue of Loan Funded Shares to Messrs Mutz, Woodall, Mitchell, Dixon and Mundine is a cost-effective way to assist in aligning their interests with Shareholders of the Company, and also, remunerate them for their services to the Company. It is designed to incentivise Messrs Mutz, Woodall, Mitchell, Dixon and Mundine by participating in the future growth of the Company through share ownership and in recognition of the contribution made to the Company by Messrs Mutz, Woodall, Mitchell, Dixon and Mundine and their ongoing responsibilities.
- (b) Accordingly, the proposed issue of Loan Funded Shares requires Shareholder approval under and for the purposes of Listing Rule 10.14 only.

5.6 Information required by ASX Listing Rule 10.15

The following information for the purposes of ASX Listing Rule 10.15 is provided to Shareholders:

- (a) the Loan Funded Shares will be issued to the following persons:
- (i) Mr Patrick Mutz (or their nominee) pursuant to Resolution 4;
 - (ii) Mr David Woodall (or their nominee) pursuant to Resolution 5;
 - (iii) Mr Philip Mitchell (or their nominee) pursuant to Resolution 6;
 - (iv) Mr Bryan Dixon (or their nominee) pursuant to Resolution 7; and
 - (v) Mr Warren Mundine (or their nominee) pursuant to Resolution 8;
- (b) Mr Mutz is a proposed director of the Company (subject to receiving shareholder approval pursuant to Resolutions 3 of this Notice), and for the purposes of the ASX Listing Rules would be regarded as a 'related party'. Mr Mitchell is a current Director (subject to his re-election pursuant to Resolution 3) and Messrs Woodall, Dixon and Mundine are all current Directors;
- (c) The maximum number of Loan Funded Shares to be issued to each allottee are as follows:

Director / Proposed Director	Maximum Number of Loan Funded Shares
Patrick Mutz	2,000,000
David Woodall	16,000,000
Philip Mitchell	2,000,000
Bryan Dixon	1,000,000
Warren Mundine	1,000,000

- (d) the Loan Funded Shares are unquoted. The Company has chosen to issue Loan Funded Shares to the Related Parties for the following reasons:
- (i) the Loan Funded Shares are unquoted; therefore, the issue of the Loan Funded Shares has no immediate dilutionary impact on Shareholders;
 - (ii) the deferred taxation benefit which is available to the Related Parties in respect of an issue of Loan Funded Shares is also beneficial to the Company as it means the Related Parties are not required to immediately sell the Loan Funded Shares to fund a tax liability (as would be the case in an issue of Shares where the tax liability arises upon issue of the Shares) and will instead, continue to hold an interest in the Company; and
 - (iii) it is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Loan Funded Shares on the terms proposed;

- (e) The current total remuneration package (including super and excluding the proposed Loan Funded Shares) for the Related Parties are as follows:

Director / Proposed Director	Salary/ Director fees p.a.	Share Based Payments Remuneration ¹
Patrick Mutz Non-Executive Director	\$40,000	\$nil

- (i) The ultimate value of the Loan Funded Shares to the participants will not be known until the various vesting conditions (set out above) are satisfied and depend on the future share value, which is unknown. The initial benefit to the participants will be the difference, if any, between the actual market price on the day the Loan Funded Shares are issued and the issue price of \$0.30 each;
- (j) The Loan Funded Shares will be issued within 3 years from the date of this Meeting, if approved by Shareholder of the Company;

- (k) The issue price is \$0.30 per Loan Funded Share;

6. RESOLUTION 9 – INCREASE IN TOTAL AGGREGATE REMUNERATION FOR NON-EXECUTIVE DIRECTORS

6.1 General

Listing Rule 10.17 provides that an entity must not increase the total aggregate amount of directors' fees payable to all of its non-executive directors without the approval of holders of its ordinary securities.

Directors' fees include all fees payable by the entity or any of its child entities to a non-executive director for acting as a director of the entity or any of its child entities (including attending and participating in any board committee meetings), superannuation contributions for the benefit of a non-executive director and any fees which a non-executive director agrees to sacrifice for other benefits. It does not include reimbursement of genuine out of pocket expenses, genuine "special exertion" fees paid in accordance with an entity's constitution, or securities issued to a non-executive director under Listing Rules 10.11 or 10.14 with the approval of the holders of its ordinary securities.

Clauses 14.7 and 14.8 of the Constitution also provide that total aggregate remuneration payable to the non-executive Directors will not exceed the sum initially set by the Constitution and subsequently increased by ordinary resolution of Shareholders in a general meeting.

The maximum aggregate amount of fees payable to the non-executive Directors is currently set at \$300,000.

Resolution 9 seeks Shareholder approval for the purposes of clause 14.8 of the Constitution and Listing Rule 10.17 to increase the total aggregate amount of fees payable to non-executive Directors to \$500,000.

The maximum aggregate amount of fees proposed to be paid to non-executive Directors per annum has been determined after reviewing similar companies listed on ASX and the Directors believe that this level of remuneration is in line with corporate remuneration of similar companies.

6.2 Technical information required by Listing Rule 10.17

If Resolution 9 is passed, the maximum aggregate amount of fees payable to the non-executive Directors will increase by \$200,000 to \$500,000. Whilst it is not envisaged that the maximum amount sought will be utilised immediately, the increase to maximum aggregate amount of fees payable may enable the Company to:

- (a) fairly remunerate both existing and any new non-executive directors joining the Board;
- (b) remunerate its non-executive Directors appropriately for the expectations placed upon them both by the Company and the regulatory environment in which it operates; and
- (c) have the ability to attract and retain non-executive directors whose skills and qualifications are appropriate for a company of the size and nature of the Company.

If Resolution 9 is not passed, the maximum aggregate amount of fees payable to non-executive Directors will remain at \$300,000. This may inhibit the ability of the Company to remunerate, attract and retain appropriately skilled non-executive directors.

In the past 3 years, the Company has issued an aggregate of 12,000,000 Shares and 21,153,845 Options to non-executive Directors pursuant to Listing Rules 10.11 and 10.14.

These Securities were issued to the following non-executive Directors:

Non-Executive Director	Security Type	Number
Philip Mitchell	Loan Funded Shares	8,000,000
Warren Mundine	Loan Funded Shares	2,000,000
Bryan Dixon	Loan Funded Shares	2,000,000
Martin Rogers	Options	15,384,615
Peter Ward	Options	5,769,230

6.3 Board Recommendation

Given the interest of the non-executive Directors in this Resolution, the Board makes no recommendation to Shareholders regarding this Resolution.

7. RESOLUTION 10 – RATIFICATION OF PRIOR ISSUE OF SHARES – LISTING RULE 7.1

7.1 General

On 19 July 2022, the Company issued 2,160,000 Shares consisting of:

- (a) 1,500,000 Shares at an issue price of \$0.052 per Share issued to Vivien Enterprises; and
- (b) 660,000 Shares at an issue price of \$0.250 per Share issued to The CFO Solution Team Pty Ltd,

to settle invoices to the amount of \$243,000 for capital markets, financial and company secretarial services provided to the Company (**Consultant Shares**).

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval

of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at the annual general meeting held on 21 December 2021. The Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities after 21 December 2022 remains conditional on Resolution 10 being passed at this Meeting.

The issue of the Consultant Shares does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Consultant Shares.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Consultant Shares.

Resolution 10 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Consultant Shares.

7.2 Technical information required by Listing Rule 14.1A

If Resolution 10 is passed, the Consultant Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Consultant Shares.

If Resolution 10 is not passed, the Consultant Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Consultant Shares.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 11 being passed at this Meeting.

7.3 Technical information required by Listing Rule 7.5

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Resolution 10:

- (a) the Consultant Shares were issued to the following service providers in settlement of invoices for capital markets, financial and company secretarial services:
 - (i) Vivien Enterprises; and
 - (ii) The CFO Solution Team Pty Ltd;
 - (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
 - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - (ii) issued more than 1% of the issued capital of the Company;
 - (c) 2,160,000 Consultant Shares were issued and the Consultant Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
 - (d) the Consultant Shares were issued on 19 July 2022;
 - (e) the issue price was:
 - (i) \$0.052 per Funding Share for 1,500,000 Shares; and
 - (ii) \$0.250 per Funding Share for 660,000 Shares.
- The Company has not and will not receive any other consideration for the issue of the Consultant Shares;
- (f) the purpose of the issue of the Consultant Shares was to settle invoices to the amount of \$243,000 for capital markets, financial and company secretarial services provided to the Company by Vivien Enterprises and The CFO Solution Team Pty Ltd; and
 - (g) the Consultant Shares were not issued under an agreement.

8. RESOLUTION 11 – APPROVAL OF 7.1A MANDATE

8.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of \$129,734,565

(based on the number of Shares on issue and the closing price of Shares on the ASX on 12 October 2022).

Resolution 11 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

If Resolution 11 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 11 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

8.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 11:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 8.2(b)(i), the date on which the Equity Securities are issued.

(c) Use of funds raised under the 7.1A Mandate

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate for the following:

- (i) Tiris Project;
- (ii) Archaean;

- (iii) continued expenditure on the Company's current assets/or projects (funds would then be used for project, feasibility studies and ongoing project administration);
- (iv) the development of the Company's current business; and
- (v) general working capital.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 11 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 12 October 2022.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.130	\$0.260	\$0.390
			50% decrease	Issue Price	50% increase
		Funds Raised			
Current	498,979,098 Shares	49,897,909 Shares	\$6,486,728	\$12,973,456	\$19,460,184
50% increase	748,468,647 Shares	74,846,864 Shares	\$9,730,092	\$19,460,184	\$29,190,276
100% increase	997,958,196 Shares	99,795,819 Shares	\$12,973,456	\$25,946,912	\$38,920,369

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 498,979,098 Shares on issue as at the date of this Notice.
2. The issue price set out above is the closing market price of the Shares on the ASX on 18 October 2022 (being \$0.26).
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.

5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).

(f) **Previous approval under Listing Rule 7.1A**

The Company did not obtain approval under Listing Rule 7.1A at its annual general meeting held on 21 December 2021. Accordingly, the Company has not issued any Equity Securities under Listing Rule 7.1A.2 in the twelve months preceding the date of the Meeting.

8.3 Voting Exclusion Statement

As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice.

9. RESOLUTION 12 – REPLACEMENT OF CONSTITUTION

9.1 General

A company may modify or repeal its constitution or a provision of its constitution by special resolution of shareholders.

Resolution 12 is a special resolution which will enable the Company to repeal its existing Constitution and adopt a new constitution (**Proposed Constitution**) which is of the type required for a listed public company limited by shares updated to ensure it reflects the current provisions of the Corporations Act and Listing Rules.

This will incorporate amendments to the Corporations Act and Listing Rules since the current Constitution was adopted in 2017.

The Directors believe that it is preferable in the circumstances to replace the existing Constitution with the Proposed Constitution rather than to amend a multitude of specific provisions.

The Proposed Constitution is broadly consistent with the provisions of the existing Constitution. Many of the proposed changes are administrative or minor in nature including but not limited to:

The Directors believe these amendments are not material nor will they have any significant impact on Shareholders. It is not practicable to list all of the changes to the Constitution in detail in this Explanatory Statement, however, a summary of the proposed material changes is set out below.

A copy of the Proposed Constitution is available for review by Shareholders at the Company's website (www.auraenergy.com.au) and at the office of the Company. A copy of the Proposed Constitution can also be sent to Shareholders upon request to the Company Secretary (+61 3 9824 5254). Shareholders are invited to contact the Company if they have any queries or concerns.

9.2 Summary of material proposed changes

Restricted Securities (clause 2.12)

The Proposed Constitution complies with the changes to Listing Rule 15.12 which took effect from 1 December 2019. As a result of these changes, ASX will require certain more significant holders of restricted securities and their controllers (such as related parties, promoters, substantial holders, service providers and their associates) to execute a formal escrow agreement in the form Appendix 9A, as is currently the case. However, for less significant holdings (such as non-related parties and non-promoters), ASX will permit the Company to issue restriction notices to holders of restricted securities in the form of the new Appendix 9C advising them of the restriction rather than requiring signed restriction agreements.

Minimum Securityholding (clause 3)

This Proposed Constitution now extends the minimum holding provisions to all securities as provided for under the Listing Rules. The clause previously only referred to shares.

Joint Holders (clause 9.8)

CHESS is currently being replaced by ASX with a projected go-live date of April 2023. As part of the CHESS replacement, the registration system will be modernised to record holder registration details in a structured format that will allow up to four joint holders of a security. Clause 9.8 of the Proposed Constitution provides that the number of registered joint holders of securities shall be as permitted under the Listing Rules and the ASX Settlement Operating Rules.

Capital Reductions (clause 10.2)

The Proposed Constitution now permits sales of unmarketable parcels to a sale nominee as part of a capital reduction.

Direct Voting (clause 13, specifically clauses 13.35 – 13.40)

The Proposed Constitution includes a new provision which allows Shareholders to exercise their voting rights through direct voting (in addition to exercising their existing rights to appoint a proxy). Direct voting is a mechanism by which Shareholders can vote directly on resolutions which are to be determined by poll. Votes cast by direct vote by a Shareholder are taken to have been cast on the poll as if the Shareholder had cast the votes on the poll at the meeting. In order for direct voting to be available, Directors must elect that votes can be cast via direct vote for all or any Resolutions and determine the manner appropriate for the casting of direct votes. If such a determination is made by the Directors, the notice of meeting will include information on the application of direct voting.

Use of technology (clause 14)

The Proposed Constitution includes a new provision to permit the use of technology at general meetings (including wholly virtual meetings) to the extent permitted under the Corporations Act, Listing Rules and applicable law.

Partial (proportional) takeover provisions (new clause 37)

A proportional takeover bid is a takeover bid where the offer made to each shareholder is only for a proportion of that shareholder's shares.

Pursuant to section 648G of the Corporations Act, the Company has included in the Proposed Constitution a provision whereby a proportional takeover bid for Shares may only proceed after the bid has been approved by a meeting of Shareholders held in accordance with the terms set out in the Corporations Act.

This clause of the Proposed Constitution will cease to have effect on the third anniversary of the date of the adoption of last renewal of the clause.

Information required by section 648G of the Corporations Act

Effect of proposed proportional takeover provisions

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a

proportional off-market bid is prohibited unless and until a Resolution to approve the proportional off-market bid is passed.

Reasons for proportional takeover provisions

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle, and assist in ensuring that any partial bid is appropriately priced.

Knowledge of any acquisition proposals

As at the date of this Notice, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

Potential advantages and disadvantages of proportional takeover provisions

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) assisting in preventing Shareholders from being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) proportional takeover bids may be discouraged;
- (b) lost opportunity to sell a portion of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

Recommendation of the Board

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the proportional takeover provision in the Proposed Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Resolution 12.

10. RESOLUTION 13 – ADOPTION OF EMPLOYEE SECURITIES INCENTIVE PLAN

10.1 General

Resolution 13 seeks Shareholder approval for the adoption of the employee incentive scheme titled "Employee Securities Incentive Plan" (**Plan**) and for the issue of up to a maximum of 49,897,910 securities under the Incentive Plan in accordance with Listing Rule 7.2 (Exception 13(b)).

The objective of the Plan is to attract, motivate and retain key employees and the Company considers that the adoption of the Plan and the future issue of securities under the Plan will provide selected employees with the opportunity to participate in the future growth of the Company.

10.2 Listing Rule 7.1 and Listing Rule 7.2 Exception 13(b)

As summarised in Section 7.1 above, and subject to a number of exceptions set out in Listing Rule 7.2, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Listing Rule 7.2 (Exception 13(b)) provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme if, within three years before the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of equity securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of equity securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in the notice of meeting.

If Resolution 13 is passed, the Company will be able to issue securities under the Plan to eligible participants over a period of 3 years from the date of the Meeting. The issue of any securities to eligible participants under the Plan (up to the maximum number of securities stated in Section 10.3(b) below) will be excluded from the calculation of the number of equity securities that the Company can issue without Shareholder approval under Listing Rule 7.1.

For the avoidance of doubt, the Company must seek Shareholder approval under Listing Rule 10.14 in respect of any future issues of securities under the Plan to a related party or a person whose relationship with the Company or the related party is, in ASX's opinion, such that approval should be obtained.

If Resolution 13 is not passed, the Company will be able to proceed with the issue of securities under the Plan to eligible participants, but any issues of securities will reduce, to that extent, the Company's capacity to issue equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of those securities.

10.3 Technical information required by Listing Rule 7.2 (Exception 13)

Pursuant to and in accordance with Listing Rule 7.2 (Exception 13), the following information is provided in relation to Resolution 13:

- (a) a summary of the key terms and conditions of the Plan is set out in Schedule 2;
- (b) the Company has not issued any securities under the Plan as this is the first time that Shareholder approval is being sought for the adoption of the Incentive Plan;
- (c) The Company is seeking Shareholder approval to adopt the Plan to:
 - (i) allow the Company to have the ability to issue options, rights and shares; and
 - (ii) include the new terms and conditions required by Division 1A of Part 7.12 of the Corporations Act, which replaced the previous relief provided by ASIC Class Order 14/1000 (Employee Incentive Scheme); and
- (d) the maximum number of securities proposed to be issued under the Plan in reliance on Listing Rule 7.2 (Exception 13(b)), is 49,897,910 securities. It is not envisaged that the maximum number of securities for which approval is sought will be issued immediately.

1. From time to time, and in its absolute discretion, the Board may invite employees and other eligible personnel of the Company (including the directors) to subscribe for Shares under the Loan Funded Equity Scheme (**Loan Funded Shares**) and, if the Board considers appropriate, to receive a limited recourse loan for all or part of the subscription price for those Loan Funded Shares.
2. The key terms of each limited recourse loan (**Loan**) provided under the Loan Funded Equity Scheme (**Loan Terms**) are as follows:
 - (a) the Loan may only be applied towards the subscription price for the Loan Funded Shares, which subscription price will be at or above the market price of the Shares at the time the Loan Funded Shares are issued;
 - (b) the Loan will be interest free, provided that if the Loan is not repaid by the repayment date set by the Board, the Loan will incur interest at a default rate after that date (which will accrue on a daily basis and compound annually on the then outstanding Loan balance);
 - (c) by signing and returning a limited recourse loan application, the participants of the Loan Funded Equity Scheme (each a **Participant**) acknowledge and agree that the Loan Funded Shares will not be transferred, encumbered, otherwise disposed of, or have a security interest granted over it, by or on behalf of the Participant until the Loan is repaid with respect to those Loan Funded Shares sought to be so dealt with;
 - (d) the Loan becomes repayable on the earliest of:
 - (i) 5 years from the date on which the Loan is advanced to the Participant;
 - (ii) one month after the date of
 - (A) the Participant's resignation or cessation of office/engagement/employment (as the case may be) (other than if the Participant is removed from office),
 - (B) if the Company does not renew the Participant's employment agreement or engagement terms, or
 - (C) where the Company dismisses the Participant other than for cause; and
 - (iii) (by the legal personal representative of the Participant) six months after the Participant ceases to be an employee of the Company due to their death;the earliest date being the **Repayment Date**.
 - (e) notwithstanding the above paragraphs,
 - (i) the Participant may repay all or part of the Loan at any time before the Repayment Date; and
 - (ii) the Loan will be limited recourse such that on the Repayment Date the repayment obligation under the limited recourse loan

will be limited to the lesser of the outstanding balance of the limited recourse loan and the market value of the Loan Funded Shares on that date.

3. In addition, where the Participant has elected for the Loan Funded Shares to be provided to the Company in full satisfaction of the Loan, the Company must accept a transfer of the Loan Funded Shares by the Participant as full settlement of the repayment obligation under the limited recourse loan.
4. The Loan Funded Shares will rank equally with all other fully paid ordinary shares on issue in the capital of the Company. Holders of Loan Funded Shares will be entitled to exercise all voting rights attaching to those Shares in accordance with the Company's constitution. In addition, holders of Loan Funded Shares will be entitled to participate in dividends declared and paid by the Company in accordance with the Company's constitution, provided that any dividends declared with respect to the Loan Funded Shares, whilst there is still remaining any portion of the Loan unpaid, shall first be applied and paid to the Company in reduction of the outstanding Loan balance until that outstanding Loan balance is zero, before it is paid in cash to, or for any other benefit of, the Participant.
5. The Loan Funded Shares may only be sold by a Participant (where the Participant has been granted a limited recourse loan) where the Loan has been repaid in full in respect to the Loan Funded Shares sought to be sold (otherwise any dealing by the Participant in the Loan Funded Shares is prohibited without the prior written consent of the Company).
6. If the Loan becomes due and payable and the Participant has not repaid the amount of the Loan in full within 21 days of the due date, then the Participant will forfeit their interest in the Loan Funded Shares as full consideration for the repayment of the outstanding Loan balance, and the Company may either (at its election) take such action in the Participant's name, or direct that the Participant take such action, in relation to the Loan Funded Shares as the Company considers appropriate, which may include but is not limited to the Company undertaking a buy-back or capital reduction of the Loan Funded Shares or selling the Loan Funded Shares.
7. Upon any cessation of Continuous Employment (as defined in the Loan Funded Equity Scheme) of a Participant for any reason unless otherwise resolved by the Company (in its absolute discretion):
 - (a) all unvested securities issued pursuant to this Loan Funded Equity Scheme (**Relevant Securities**) shall lapse with immediate effect upon that termination;
 - (b) the vesting conditions not yet met shall be deemed incapable of being met; and
 - (c) the Relevant Securities shall be cancelled by the Company forthwith.
8. The Board has the discretion under the Loan Funded Equity Scheme at any time and without the need to provide any reason or cause or compensation to a Participant:
 - (a) to vary or accelerate vesting conditions or loan terms as it determines in its absolute discretion provided that any variation is not materially adverse to the existing rights conferred under the Loan Funded Equity Scheme; and

- (b) to supplement, vary, amend or suspend the Loan Funded Equity Scheme or any of the terms and conditions of this Scheme as provided in the Loan Funded Equity Scheme, provided that any variation is not materially adverse to the existing rights conferred under the Loan Funded Equity Scheme.

9. Copies of the Loan Funded Equity Scheme Rules are available for inspection at the Company's registered office and will be provided without charge to shareholders on request.

Application Form Terms

- (a) to transfer the shares (not yet vested) which are the subject of the Application to a nominee or nominees of the Company at the Issue Price per Share; or
- (b) for the Company to undertake a buy back (at the Issue Price per Share) or capital reduction of those Shares not yet vested pursuant to the provisions of the Corporations Act 2001,

11. upon the basis that the Application Form is an irrevocable direction to the Company to apply all proceeds that would have otherwise been provided or due to the Participant on a transfer, buy back or capital reduction solely in satisfaction of the Outstanding Loan Balance (as defined in the Loan Agreement).

12. The Application Form also contains a vesting condition that prevails over all other (if any) vesting conditions ("Liquidity Event Vesting Condition"), namely that all Loan Funded Shares vest immediately upon the happening of a Liquidity Event (as defined). A "Liquidity Event" is defined as:

- (a) where a bidder under a takeover offer (as defined in the Corporations Act) has acceptances for more than 50% of the ordinary shares in the Company and there are no unsatisfied conditions (or conditions that not been waived) under the bid;
- (b) on shareholder approval being obtained for a scheme of arrangement (as defined in the Corporations Act) with respect to the assets or securities of the Company; or

SCHEDULE 2 – SUMMARY OF EMPLOYEE SECURITIES INCENTIVE SCHEME

Eligible Participant	Eligible Participant means a person that is a 'primary participant' (as that term is defined in Division 1A of Part 7.12 of the Corporations Act) in relation to the Company or an Associated Body Corporate (as defined in the Corporations Act) and has been determined by the Board to be eligible to participate in the Plan from time to time.
Purpose	The purpose of the Plan is to: <ul style="list-style-type: none"> (a) assist in the reward, retention and motivation of Eligible Participants; (b) link the reward of Eligible Participants to Shareholder value creation; and (c) align the interests of Eligible Participants with shareholders of the Group (being the Company and each of its Associated Bodies Corporate), by providing an opportunity to Eligible Participants to receive an equity interest in the Company in the form of options, rights and shares (Securities).
Plan administration	The Plan will be administered by the Board. The Board may exercise any power or discretion conferred on it by the Plan rules in its sole and absolute discretion (except to the extent that it prevents the Participant relying on the deferred tax concessions under Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth)). The Board may delegate its powers and discretion.
Eligibility, invitation and application	The Board may from time to time determine that an Eligible Participant may participate in the Plan and make an invitation to that Eligible Participant to apply for any (or any combination of) the Securities provided under the Plan on such terms and conditions as the Board decides. On receipt of an invitation, an Eligible Participant may apply for the Securities the subject of the invitation by sending a completed application form to the Company. The Board may accept an application from an Eligible Participant in whole or in part. If an Eligible Participant is permitted in the invitation, the Eligible Participant may, by notice in writing to the Board, nominate a party in whose favour the Eligible Participant wishes to renounce the invitation.
Grant of Securities	The Company will, to the extent that it has accepted a duly completed application, grant the Eligible Participant who has been granted any Performance Rights or Options under the Plan (Participant) the relevant number and type of Securities, subject to the terms and conditions set out in the invitation, the Plan rules and any ancillary documentation required.
Rights attaching to Convertible Securities	A Convertible Security represents a right to acquire one or more Plan Shares in accordance with the Plan (for example, an Option or a Performance Right). Prior to a Convertible Security being exercised, the holder:

	<p>(a) does not have any interest (legal, equitable or otherwise) in any Share the subject of the Convertible Security other than as expressly set out in the Plan;</p> <p>(b) is not entitled to receive notice of, vote at or attend a meeting of the shareholders of the Company;</p> <p>(c) is not entitled to receive any dividends declared by the Company; and</p> <p>(d) is not entitled to participate in any new issue of Shares (see Adjustment of Convertible Securities section below).</p>
<p>Vesting of Convertible Securities</p>	<p>Any vesting conditions which must be satisfied before Convertible Securities can be exercised and converted to Shares will be described in the invitation. If all the vesting conditions are satisfied and/or otherwise waived by the Board, a vesting notice will be sent to the Participant by the Company informing them that the relevant Convertible Securities have vested. Unless and until the vesting notice is issued by the Company, the Convertible Securities will not be considered to have vested. For the avoidance of doubt, if the vesting conditions relevant to a Convertible Security are not satisfied and/or otherwise waived by the Board, that Convertible Security will lapse.</p>
<p>Exercise of Convertible Securities and cashless exercise</p>	<p>To exercise a Convertible Security, the Participant must deliver a signed notice of exercise and, subject to a cashless exercise of Convertible Securities (see next paragraph below), pay the exercise price (if any) to or as directed by the Company, at any time following vesting of the Convertible Security (if subject to vesting conditions) and prior to the expiry date as set out in the invitation or vesting notice.</p> <p>An invitation may specify that at the time of exercise of the Convertible Securities, the Participant may elect not to be required to provide payment of the exercise price for the number of Convertible Securities specified in a notice of exercise, but that on exercise of those Convertible Securities the Company will transfer or issue to the Participant that number of Shares equal in value to the positive difference between the Market Value of the Shares at the time of exercise and the exercise price that would otherwise be payable to exercise those Convertible Securities.</p> <p>Market Value means, at any given date, the volume weighted average price per Share traded on the ASX over the 5 trading days immediately preceding that given date, unless otherwise specified in an invitation.</p> <p>A Convertible Security may not be exercised unless and until that Convertible Security has vested in accordance with the Plan rules, or such earlier date as set out in the Plan rules.</p>
<p>Timing of issue of Shares and quotation of Shares on exercise</p>	<p>As soon as practicable after the valid exercise of a Convertible Security by a Participant, the Company will issue or cause to be transferred to that Participant the number of Shares to which the Participant is entitled under the Plan rules and issue a substitute certificate for any remaining unexercised Convertible Securities held by that Participant.</p>

Restrictions on dealing with Convertible Securities	<p>A holder may not sell, assign, transfer, grant a security interest over or otherwise deal with a Convertible Security that has been granted to them unless otherwise determined by the Board. A holder must not enter into any arrangement for the purpose of hedging their economic exposure to a Convertible Security that has been granted to them.</p> <p>However, in Special Circumstances as defined under the Plan (including in the case of death or total or permanent disability of the Participant) a Participant may deal with Convertible Securities granted to them under the Plan with the consent of the Board.</p>
Listing of Convertible Securities	<p>A Convertible Security granted under the Plan will not be quoted on the ASX or any other recognised exchange. The Board reserves the right in its absolute discretion to apply for quotation of an Option granted under the Plan on the ASX or any other recognised exchange.</p>
Forfeiture of Convertible Securities	<p>Convertible Securities will be forfeited in the following circumstances:</p> <ul style="list-style-type: none"> (a) where a Participant who holds Convertible Securities ceases to be an Eligible Participant (e.g. is no longer employed or their office or engagement is discontinued with the Group), all unvested Convertible Securities will automatically be forfeited by the Participant; (b) where a Participant acts fraudulently or dishonestly, negligently, in contravention of any Group policy or wilfully breaches their duties to the Group; (c) where there is a failure to satisfy the vesting conditions in accordance with the Plan; (d) on the date the Participant becomes insolvent; or (e) on the Expiry Date.
Change of control	<p>If a change of control event occurs, or the Board determines that such an event is likely to occur, the Board may in its discretion determine the manner in which any or all of the holder's Convertible Securities will be dealt with, including, without limitation, in a manner that allows the holder to participate in and/or benefit from any transaction arising from or in connection with the change of control event.</p>
Adjustment of Convertible Securities	<p>If there is a reorganisation of the issued share capital of the Company (including any subdivision, consolidation, reduction, return or cancellation of such issued capital of the Company), the rights of each Participant holding Convertible Securities will be changed to the extent necessary to comply with the Listing Rules applicable to a reorganisation of capital at the time of the reorganisation.</p> <p>If Shares are issued by the Company by way of bonus issue (other than an issue in lieu of dividends or by way of dividend reinvestment), the holder of Convertible Securities is entitled, upon exercise of the Convertible Securities, to receive an issue of as many additional Shares as would have been issued to the holder if the holder held Shares equal in number to the Shares in respect of which the Convertible Securities are exercised.</p> <p>Unless otherwise determined by the Board, a holder of Convertible Securities does not have the right to participate in a pro rata issue of Shares made by the Company or sell renounceable rights.</p>

<p>Plan Shares</p>	<p>The Board may, from time to time, make an invitation to an Eligible Participant to acquire Plan Shares under the Plan. The Board will determine in its sole absolute discretion the acquisition price (if any) for each Plan Share which may be nil. The Plan Shares may be subject to performance hurdles and/or vesting conditions as determined by the Board.</p> <p>Where Plan Shares granted to a Participant are subject to performance hurdles and/or vesting conditions, the Participant's Plan Shares will be subject to certain restrictions until the applicable performance hurdles and/or vesting conditions (if any) have been satisfied, waived by the Board or are deemed to have been satisfied under the Rules.</p>
<p>Rights attaching to Plan Shares</p>	<p>All Shares issued or transferred under the Plan or issued or transferred to a Participant upon the valid exercise of a Convertible Security, (Plan Shares) will rank equally in all respects with the Shares of the same class for the time being on issue except for any rights attaching to the Shares by reference to a record date prior to the date of the allotment or transfer of the Plan Shares. A Participant will be entitled to any dividends declared and distributed by the Company on the Plan Shares and may participate in any dividend reinvestment plan operated by the Company in respect of Plan Shares. A Participant may exercise any voting rights attaching to Plan Shares.</p>
<p>Disposal restrictions on Plan Shares</p>	<p>If the invitation provides that any Plan Shares are subject to any restrictions as to the disposal or other dealing by a Participant for a period, the Board may implement any procedure it deems appropriate to ensure the compliance by the Participant with this restriction.</p> <p>For so long as a Plan Share is subject to any disposal restrictions under the Plan, the Participant will not:</p> <ul style="list-style-type: none"> (a) transfer, encumber or otherwise dispose of, or have a security interest granted over that Plan Share; or (b) take any action or permit another person to take any action to remove or circumvent the disposal restrictions without the express written consent of the Company.
<p>General Restrictions on Transfer of Plan Shares</p>	<p>If the Company is required but is unable to give ASX a notice that complies with section 708A(5)(e) of the Corporations Act, Plan Shares issued under the Plan (including on exercise of Convertible Securities) may not be traded until 12 months after their issue unless the Company, at its sole discretion, elects to issue a prospectus pursuant to section 708A(11) of the Act.</p> <p>Restrictions are imposed by Applicable Law on dealing in Shares by persons who possess material information likely to affect the value of the Shares and which is not generally available. These laws may restrict the acquisition or disposal of Shares by you during the time the holder has such information.</p> <p>Any Plan Shares issued to a holder under the Plan (including upon exercise of Convertible Securities) shall be subject to the terms of the Company's Securities Trading Policy.</p>
<p>Buy-Back</p>	<p>Subject to applicable law, the Company may at any time buy-back Securities in accordance with the terms of the Plan.</p>

Employee Share Trust	The Board may in its sole and absolute discretion use an employee share trust or other mechanism for the purposes of holding Convertible Securities for holders under the Plan and delivering Shares on behalf of holders upon exercise of Convertible Securities.
Maximum number of Securities	The Company will not make an invitation under the Plan which involves monetary consideration if the number of Plan Shares that may be issued, or acquired upon exercise of Convertible Securities offered under an invitation, when aggregated with the number of Shares issued or that may be issued as a result of all invitations under the Plan during the 3 year period ending on the day of the invitation, will exceed 5% of the total number of issued Shares at the date of the invitation (unless the Constitution specifies a different percentage and subject to any limits approved by Shareholders under Listing Rule 7.2 Exception 13(b)).
Amendment of Plan	<p>Subject to the following paragraph, the Board may at any time amend any provisions of the Plan rules, including (without limitation) the terms and conditions upon which any Securities have been granted under the Plan and determine that any amendments to the Plan rules be given retrospective effect, immediate effect or future effect.</p> <p>No amendment to any provision of the Plan rules may be made if the amendment materially reduces the rights of any Participant as they existed before the date of the amendment, other than an amendment introduced primarily for the purpose of complying with legislation or to correct manifest error or mistake, amongst other things, or is agreed to in writing by all Participants.</p>
Plan duration	<p>The Plan continues in operation until the Board decides to end it. The Board may from time to time suspend the operation of the Plan for a fixed period or indefinitely and may end any suspension. If the Plan is terminated or suspended for any reason, that termination or suspension must not prejudice the accrued rights of the Participants.</p> <p>If a Participant and the Company (acting by the Board) agree in writing that some or all of the Securities granted to that Participant are to be cancelled on a specified date or on the occurrence of a particular event, then those Securities may be cancelled in the manner agreed between the Company and the Participant.</p>
Income Tax Assessment Act	The Plan is a plan to which Subdivision 83A-C of the <i>Income Tax Assessment Act 1997</i> (Cth) applies (subject to the conditions in that Act) except to the extent an invitation provides otherwise.
