Bod has aligned with Chemist Warehouse Group to dispense medicinal cannabis products beginning with MediCabilis™

- **Bod has aligned with Australia's largest pharmacy retailer, Chemist Warehouse Group to manage the dispensing of its cannabis products starting with Bod's unique, pharma grade CBD oil MediCabilis™**
- **Chemist Warehouse Group is Australia's largest pharmacy retailer, with 450 stores nationally and approximately 15,000 employees.**
- **MediCabilis™ is a pharmaceutical grade Cannabis CBD whole plant extract, available under TGA's Authorised Prescriber and Special Access Scheme Category B**
- **Bod to initiate a comprehensive education and support program for patients, physicians and relevant pharmacies ensuring these groups are fully informed of the benefits of medicinal cannabis and how to utilise it efficiently**
- **Company pursuing additional agreements with wholesalers and pharmacy groups to ensure medicinal cannabis is available to other approved pharmacies**

Sydney, Australia – 9 November 2018: Developer and distributor of natural, evidence-based skincare and health products including medicinal cannabis, Bod Australia Limited ("Bod", the "Company") (ASX: BDA) is pleased to advise it has begun dispensing its proprietary cannabis oil, MediCabilis™ through the Chemist Warehouse Group nationally.

MediCabilis™ (see overleaf) is Bod's proprietary, pharmaceutical grade cannabis extract (ECs315), in oil form. The product will be available for dispensing in Chemist Warehouse Group.

Bod has already received a number of prescriptions for the product to date. Bod is well placed to realise further revenue from sales in the coming months.

Bod will also initiate a comprehensive training program for pharmacists within Chemist Warehouse Group. The program will educate participants on all aspects of dispensing MediCabilis™ to eligible patients, as well as the potential benefits of medicinal cannabis and changes to the regulatory landscape.

Bod Australia CEO Jo Patterson said: "This is an exceptional development for Bod Australia. Chemist Warehouse Group is widely recognised as a market leader in the pharmacy sector and we are pleased to have aligned with them to dispense our cannabis products.

"We also look forward to progressing our education initiatives with the Chemist Warehouse Group to ensure medicinal cannabis is prescribed and used responsibly and efficiently.

"Bod will continue to target additional pharmacy groups and potential distribution partners to drive product uptake. Board and management look forward to updating shareholders as these agreements progress."

ABOUT BOD AUSTRALIA

Bod Australia Limited (ASX:BDA) is a developer, distributor and marketer of health and skincare products. Bod works with plant based extracts, with specific expertise in leveraging the health benefits associated with cannabis and hemp.

Bod is rapidly building an integrated cannabis business, underpinned by agreements with international counterparties Linnea SA, a leading Swiss botanicals extracts manufacturer and iX Biopharma Limited, a late stage Singapore-listed pharmaceutical company. Bod is actively developing a range of over-the-counter and prescription products based on its unique, standardised, pharmaceutical grade cannabis extracts.

The Company has a large distribution footprint in Australia, selling prescription and OTC products to over 1,000 retail outlets, including pharmacies, retail stores and healthcare chains. The Company also has distribution agreements with two of Australia’s largest pharmacy wholesalers providing it with access to over two thirds of the market. Bod is also actively building capability in key European markets that it witnesses near term growth prospects.
