ASX Announcement

FORTUNA SILVER TO ACQUIRE CHESSER RESOURCES

HIGHLIGHTS

- **Chesser Board agrees to a binding proposal from Fortuna to acquire 100% of the shares in Chesser** by way of Scheme of Arrangement.
- Under the proposal **Chesser shareholders will receive consideration of 0.0248 Fortuna shares per Chesser share, representing an implied value¹ of A\$0.142 per Chesser share.**
- **Implied value of A\$0.142 per Chesser share indicates an approximate A\$89 million fully diluted equity value** and represents:
 - **a 95% premium to Chesser's last closing price** of A\$0.073 on 8 May 2023;
 - **an 83% premium to the VWAP** of Chesser shares over the 30 ASX trading days prior to this announcement; and
 - **a premium to any price at which Chesser shares have traded at on the ASX for the past 12 months.**
- **The Board of Chesser considers the transaction is mutually beneficial due to:**
 - Fortuna's existing asset portfolio and West African footprint being further enhanced by the addition of Chesser's Diamba Sud gold development project;
 - Chesser shareholders receiving value and liquidity for their Chesser shares (at a substantial premium); and
 - Chesser shareholders having the opportunity to share in the potential future upside from an investment in Fortuna, which will have 5 operating mines (with the fifth mine scheduled to pour first gold later this month), scale and the access to capital and a team that is well placed to develop Diamba Sud.
- **The Board of Chesser unanimously recommends that Chesser shareholders vote in favour of the transaction at the Scheme Meeting**, and the Directors intend to vote all their Chesser shares in favour of the Scheme, in the absence of a superior proposal and subject to the independent expert concluding in the independent expert's report (and continuing to conclude) that the Scheme is in the best interests of Chesser shareholders.
- Chesser shareholders do not need to take any action in relation to the Scheme ahead of the receipt of the Scheme Booklet, expected in July 2023, and the shareholders meeting to vote on the Scheme in August 2023.

¹ Implied value is based on the Canadian dollar \$5.19 VWAP of Fortuna shares on the TSX over the 5 trading days up to and including 5 May 2023, converted to an Australian dollar VWAP of \$5.73 using a 0.91 Canadian dollar to Australian dollar FX rate. The implied value will change based on movements in the Fortuna share price and FX.

Chesser Resources Limited ("**Chesser**" or "**the Company**") is pleased to announce that it has entered into a binding scheme implementation deed ("**SID**") under which TSX/NYSE listed Fortuna Silver Mines Inc. ("**Fortuna**") will, subject to the satisfaction of various conditions, acquire all of the fully paid ordinary shares in Chesser ("**Chesser Shares**") by way of a Board recommended scheme of arrangement under Part 5.1 of the *Corporations Act 2001* (Cth) ("**Scheme**").

The Board of Chesser **unanimously recommends** the Scheme to Chesser shareholders and recommends that all Chesser shareholders vote in favour of the Scheme at the Scheme Meeting, in the absence of a superior proposal and subject to the independent expert concluding in the independent expert's report (and continuing to conclude) that the Scheme is in the best interests of Chesser shareholders. Subject to those same qualifications, each Chesser Director intends to vote, or cause to be voted, all Chesser shares in which he has a relevant interest in favour of the Scheme at the Scheme Meeting. The details of the SID between Fortuna and Chesser are summarised below.

DIRECTORS COMMENTS

Chesser's Managing Director, Andrew Grove, commented:

"Chesser's strategy has focused on the standalone development of the Diamba Sud project and we have made excellent progress in this regard through exploration success, resource delineation and the delivery of a highly attractive Scoping Study late last year.

After taking into consideration a range of factors including the current challenges in securing development funding for new projects in the junior gold sector and the risk profile involved with taking an asset through feasibility and into production, the Board has resolved that the opportunity to combine with a substantial multi-asset precious metals producer with a strong operational track record in Fortuna represents an attractive outcome.

This transaction will provide a substantial immediate premium and greater liquidity to our shareholders while giving them exposure to a successful intermediate precious metals producer with a diversified production profile, mine development expertise and strong access to capital. We also believe the transaction will be of benefit to our local stakeholders in Senegal with greater certainty around the future development of Diamba Sud."

Jorge A. Ganoza, President & CEO of Fortuna, commented:

"In a short time, Chesser has done a great job advancing Diamba Sud from early stage exploration to a PEA-stage project with multiple targets yet to be tested. Within the larger and diversified Fortuna portfolio, the advancement of Diamba Sud will benefit from our technical and operational strength and lower cost of capital." Mr. Ganoza continued, "Diamba Sud is located in the highly productive Senegal-Mali shear zone, close to world class gold mines. We are excited by the value creation opportunities this transaction offers to Chesser and Fortuna shareholders." Mr. Ganoza concluded, "This transaction is very much aligned with our strategy to bring high-value exploration and development opportunities in regions where we are established."

INFORMATION ON FORTUNA

Founded in 2005, Fortuna has four producing mines in Peru, Argentina, Mexico, and Burkina Faso and a fifth project in Côte d'Ivoire, which is currently being commissioned with first gold pour anticipated this month, May 2023.

Fortuna has a highly experienced and highly regarded management and technical team with a proven history of mine development and operating execution, production growth, political risk management and a focus on driving sustainable, long-term growth and profitability.

Further detail on Fortuna will be included in the Scheme Booklet to be provided to Chesser shareholders and can be found on Fortuna's website at www.fortunasilver.com.

TRANSACTION SUMMARY

A summary of the proposed transaction is provided below. The full terms are contained in the SID, which is attached to this announcement.

- Fortuna to provide 0.0248 Fortuna shares per Chesser share, for all Chesser shares on issue as at the record date for the Scheme. The implied consideration of A\$0.142 per Chesser share² values Chesser at approximately A\$89 million on a fully diluted basis.
- The acquisition will be implemented by way of a scheme of arrangement pursuant to Part 5.1 of the *Corporations Act 2001* (Cth) ("**Corporations Act**").
- The Scheme is subject to approval by Chesser shareholders at a Scheme meeting expected to be held in August 2023.
- The Scheme is subject to conditions that are customary for a transaction of this nature (including Court approval, no Chesser or Fortuna material adverse change, no Chesser regulated event and Chesser representations and warranties being materially true and correct) and other conditions that are described in further detail below.
- Upon implementation of the Scheme, Chesser shareholders will own approximately 5.1% of the Fortuna shares on issue.
- A funding agreement from Fortuna is in place for up to A\$3 million to assist with Chesser's transaction costs and general corporate purposes requirements during transaction implementation.

² Implied value is based on the Canadian dollar \$5.19 VWAP of Fortuna shares on the TSX over the 5 trading days up to and including 5 May 2023, converted to an Australian dollar VWAP of \$5.73 using a 0.91 Canadian dollar to Australian dollar FX rate. The implied value will change based on movements in the Fortuna share price and FX.

CHESSER BOARD RECOMMENDATION

The proposed transaction has the unanimous support of the Chesser Board.

The Chesser Board considers the Scheme to be in the best interests of Chesser shareholders and the Chesser Board unanimously recommends the Scheme to Chesser shareholders and recommends that Chesser shareholders vote in favour of the Scheme at the Scheme Meeting³:

- in the absence of a superior proposal; and
- subject to the independent expert concluding in the independent expert's report (and continuing to conclude) that the Scheme is in the best interests of Chesser shareholders.

Each Chesser Director intends to vote (or cause to be voted) all Chesser shares in which he has a relevant interest in favour of the Scheme (representing approximately 6.74% of the Chesser shares issued and outstanding), subject to the qualifications described above³.

BENEFITS TO CHESSER SHAREHOLDERS

For Chesser shareholders, the Chesser Directors believe the transaction will deliver the significant benefits as summarised below:

- **Premium** – Delivery of an immediate and substantial premium to the current Chesser share price as well as Chesser's historical 12 month share price trading range.
- **Liquidity** – Fortuna's six month daily average traded value across all exchanges was approximately A\$24 million and is over 500 times that of Chesser, which is a significant advantage, particularly in volatile markets.
- **Fortuna Exposure** – Fortuna is an intermediate, multi-asset precious metals producer with an established and diversified asset base, highly experienced management team, strong access to capital and enhanced trading liquidity.
- **Risk Mitigation** – Reduces the risks to Chesser shareholders which are inherent in mining exploration, feasibility studies and project delivery. In addition, the transaction mitigates the challenges and dilutionary impact that Chesser will likely face as an ASX-listed junior mining company financing a gold project in a foreign jurisdiction.

³ In addition to their holdings of Chesser shares, Mr Mark Connelly holds 2,435,505 Chesser options, Mr Robert Greenslade holds 1,213,532 Chesser options and 90,260 Chesser share rights, Mr Simon Taylor holds 1,213,532 Chesser options, Mr Simon O'Loughlin holds 1,213,532 Chesser options and 82,429 Chesser share rights and Mr Andrew Grove holds 10,797,557 Chesser options issued under the terms of the Chesser Resources Limited Employee Incentive Plan approved by shareholders on 14 July 2020. These options and share rights have a nil exercise price. Any unvested Chesser options will vest upon approval by the Court of the Scheme at the Second Court Hearing. Despite the Chesser Directors' personal interests in the outcome of the Scheme, the Chesser Directors consider that, given the importance of the Scheme and their obligations as directors, it is important and appropriate for them to provide a recommendation to Chesser shareholders in relation to the Scheme. Further details will be provided to Chesser shareholders in the Scheme Booklet.

TRANSACTION IMPLEMENTATION

The acquisition will be implemented by way of a Scheme under the Australian Corporations Act and the implementation of the proposed acquisition is subject to conditions, including:

- the independent expert's report concluding that the Scheme is in the best interests of Chesser shareholders and not withdrawing or adversely changing that conclusion;
- Chesser shareholders approving the Scheme by the requisite majorities under the Corporations Act;
- Court approval of the Scheme;
- no Chesser Material Adverse Change or Fortuna Material Adverse Change (each as defined in the SID);
- no Chesser Regulated Event occurring (as defined in the SID);
- Chesser Representations and Warranties (as defined in the SID) being true and correct in all material respects; and
- other conditions customary for a public control transaction of this nature.

The SID contains customary exclusivity and deal protection provisions, including no talk and no due diligence conditions (subject to exceptions to enable Chesser Directors to comply with their fiduciary duties), no shop obligations, notification and matching rights for Fortuna in the event of a competing proposal and a break fee of A\$890,000 payable by Chesser to Fortuna in specified circumstances. In addition, as part of the Transaction, Fortuna has agreed to pay any tax or taxes payable in Senegal as a result of the acquisition of the Chesser Shares.

Full details of the terms and conditions of the Scheme are described in the SID, a copy of which is attached to this announcement.

MEETING OF CHESSER SHAREHOLDERS

Chesser shareholders do not need to take any action in relation to the Scheme at this time.

Chesser will seek Court orders to convene a meeting of Chesser shareholders to approve the Scheme ("**Scheme Meeting**").

Chesser shareholders will receive notice of the Scheme Meeting and a thorough explanatory statement of details of the proposed Scheme, the basis for the Chesser Board's recommendation and a full copy of the independent expert's report ("**Scheme Booklet**").

TREATMENT OF OPTIONS

Under the SID, Chesser must ensure, subject to the Scheme becoming effective, there are no outstanding Chesser Equity Incentives (as defined in the SID) on issue at the Record Date. To comply with the SID, Chesser must either cause some or all of the outstanding Chesser Equity Incentives to vest and issue or transfer the applicable Chesser Shares, or cancel (for no consideration) any outstanding unvested Chesser Equity Incentives. Chesser Equity Incentive holders who receive Chesser Shares prior to the Scheme record date will be entitled to participate in the Scheme as Scheme participants. Additionally, Chesser has entered into option cancellation deeds with holders of certain unlisted options in Chesser pursuant to which the unlisted options will be cancelled for consideration if a waiver of ASX Listing Rule 6.23.2 is obtained, or, if no waiver is obtained, for no consideration.

Chesser shareholders whose entitlement to the Scheme Consideration would be 18,000 new Fortuna Shares or less can elect to be treated as "Small Scheme Shareholders", have the Sale Agent (as defined in the SID) sell their Fortuna Shares on their behalf and receive cash (after deduction of certain costs) for their new Fortuna Shares. Full details regarding the treatment of Small Scheme Shareholders are described in the SID.

INTERIM FUNDING ARRANGEMENTS

Chesser and Fortuna have entered into a secured bridging loan agreement pursuant to which Fortuna has agreed to provide Chesser with up to A\$3 million to assist with Chesser's transaction costs and general corporate purposes during transaction implementation. - (a) If a party becomes aware:

- (i) that any Condition Precedent has been satisfied, it must promptly notify the other in writing of that fact and provide reasonable evidence that the Condition Precedent has been satisfied; or
 - (ii) of a breach or non-fulfilment of a Condition Precedent, or that an event has occurred that will or would be reasonably likely to prevent a Condition Precedent from being satisfied prior to the time and date specified for its satisfaction (or being satisfied by the End Date, if no such time and date is specified), it must immediately notify the other party in writing of that fact.
- (b) If a Condition Precedent is not satisfied (or waived in accordance with this deed) by the time and date specified, the parties agree that (unless there is not a reasonable prospect that the Condition Precedent will be satisfied before the End Date) Chesser must make an application to defer the Second Court Date until such time (not later than the Business Day before the End Date) as reasonably required to enable the relevant Condition Precedent to be satisfied.
- (c) Each party must promptly advise each other orally and in writing of any change or event causing, or which, so far as can reasonably be foreseen, would cause a breach or non-fulfilment of any of the Conditions Precedent.

3.5 If Scheme is voted down on Headcount Test

- (a) If the Scheme is not approved by Scheme Shareholders at the Scheme Meeting by reason only of the non-satisfaction of the Headcount Test and Chesser or Fortuna considers, acting reasonably, that the splitting by a holder of Scheme Shares into two or more parcels of Scheme Shares (whether or not it results in any change in beneficial ownership of the Scheme Shares) or some abusive or improper conduct may have caused or materially contributed to the Headcount Test not having been satisfied, then Chesser must:
- (i) apply for an order of the Court contemplated by section 411(4)(a)(ii)(A) of the Corporations Act to disregard the Headcount Test and seek Court approval of the Scheme under section 411(4)(b) of the Corporations Act, notwithstanding that the Headcount Test has not been satisfied; and
 - (ii) make such submissions to the Court and file such evidence as counsel engaged by Chesser to represent it in Court proceedings related to the Scheme, in consultation with Fortuna, considers is reasonably required to seek to persuade the Court to exercise its discretion under section 411(4)(a)(ii)(A) of the Corporations Act by making an order to disregard the Headcount Test.
- (b) If the Court's approval of the Scheme under section 411(4)(b) of the Corporations Act is given, notwithstanding that the Headcount Test has not been satisfied, the Condition Precedent in clause 3.1(c) is deemed to be satisfied for all purposes.

3.6 Failure of Conditions Precedent

- (a) If:
- (i) there is a breach or non-fulfilment of a Condition Precedent that is not waived in accordance with clause 3.3 by the time or date specified in this deed for the satisfaction of the Condition Precedent (or the End Date, if no such time and date is specified);
 - (ii) there is an act, failure to act or occurrence which will prevent a Condition Precedent being satisfied by the time or date specified in this deed for the

satisfaction of the Condition Precedent (or the End Date, if no such time and date is specified); or

- (iii) it becomes more than likely than not that a Condition Precedent will not be satisfied by the End Date,

and the breach or non-fulfilment which would otherwise occur has not already been waived in accordance with this deed, then either party may serve a written notice on the other party, and then the parties must promptly consult in good faith with a view to determining whether:

- (iv) the Scheme or the Transaction may proceed by way of alternative means or methods;
 - (v) to extend the relevant time or date for satisfaction of the Condition Precedent;
 - (vi) to change the Second Court Date or to adjourn the application for orders pursuant to section 411(4)(b) of the Corporations Act approving the Scheme to another date agreed by the parties (being a date no later than five Business Days before the End Date);
 - (vii) to extend the End Date; or
 - (viii) to do any combination of the matters listed in clauses 3.6(a)(iv) to 3.6(a)(vii) (inclusive).
- (b) If the parties are unable to reach agreement under clauses 3.6(a)(iv), 3.6(a)(v), 3.6(a)(vi) or 3.6(a)(vii) within five Business Days after the delivery of the notice under that clause or any shorter period ending at 5.00pm on the Business Day before the Second Court Date, then either party may terminate this deed by notice in writing to the other party without liability to the other party because of that termination, unless the relevant occurrence or the failure of the Condition Precedent to be satisfied, or the failure of the Scheme to become Effective, arises out of a breach by the terminating party of this deed (for the avoidance of doubt, in such circumstances, the party which is not the terminating party of this deed may still terminate this deed).
 - (c) Subject to any rights or obligations arising under or pursuant to clauses that are expressed to survive termination (including by virtue of clause 14.2(b)), on termination of this deed, no party shall have any rights against or obligations to any other party under this deed except for those rights and obligations which accrued prior to termination.

4 Scheme

4.1 Scheme

Chesser must propose a scheme of arrangement under which all of the Scheme Shares will be transferred to Fortuna and the Scheme Shareholders will be entitled to receive the Scheme Consideration.

4.2 Scheme Consideration

- (a) Each Scheme Shareholder is entitled to receive the Scheme Consideration in respect of each Scheme Share held by that Scheme Shareholder in accordance with the terms of this deed and the Scheme.
- (b) Subject to the terms and conditions of this deed and the Scheme, Fortuna undertakes and warrants to Chesser (in its own right and separately as trustee and nominee for each of the Scheme Shareholders) that, in consideration of the transfer to Fortuna of each

Chesser Share held by a Scheme Shareholder under the terms of the Scheme, on the Implementation Date, it will:

- (i) accept that transfer; and
- (ii) provide to each Scheme Shareholder the Scheme Consideration for each Scheme Share held by that Scheme Shareholder on the Record Date in accordance with the terms of this deed and the Scheme.

4.3 Fractional entitlements and splitting

- (a) Where the calculation of the number of New Fortuna Shares to be issued to a particular Scheme Shareholder would result in the Scheme Shareholder becoming entitled to a fraction of a New Fortuna Share, the fractional entitlement will be rounded down to the nearest whole number of New Fortuna Shares.
- (b) If Fortuna and Chesser are of the opinion (formed reasonably) that two or more Scheme Shareholders (each of whom holds a number of Scheme Shares that results in rounding in accordance with clause 4.3(a)) have, before the Record Date, been party to shareholding splitting or division in an attempt to obtain an advantage by reference to such rounding, then Chesser and Fortuna must consult in good faith to determine whether such matters have arisen and if agreement is reached between Chesser and Fortuna following such consultation, Chesser must give notice to those Scheme Shareholders:
 - (i) setting out their names and registered addresses;
 - (ii) stating that opinion; and
 - (iii) attributing to one of them specifically identified in the notice the Chesser Shares held by all of them,

and, after such notice has been given, the Scheme Shareholder specifically identified in the notice will, for the purposes of the Scheme, be taken to hold all of those Chesser Shares and each of the other Scheme Shareholders whose names and registered addresses are set out in the notice will, for the purposes of the Scheme, be taken to hold no Chesser Shares.

4.4 Orders of a court or Government Agency

If written notice is given to Chesser (or the Chesser Registry) or Fortuna of an order or direction made by a court of competent jurisdiction or by another Government Agency that:

- (a) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable or required to be issued to that Scheme Shareholder by Chesser or Fortuna in accordance with this clause 4, then Chesser or Fortuna (as applicable) shall be entitled to procure that provision of that consideration is made in accordance with that order or direction; or
- (b) prevents Chesser or Fortuna from providing consideration to any particular Scheme Shareholder in accordance with this clause 4, or the payment or issuance of such consideration is otherwise prohibited by applicable law, Chesser or Fortuna shall be entitled to (as applicable):
 - (i) in the case of any Ineligible Foreign Shareholder or Electing Small Scheme Shareholder retain an amount, in Australian dollars, equal to that Chesser Shareholder's share of any proceeds of sale received pursuant to clause 4.5; or

- (ii) not to issue (or direct Fortuna not to issue), or to issue to a trustee or nominee, such number of New Fortuna Shares as that Scheme Shareholder would otherwise be entitled to under clause 4.2,

until such time as provision of the Scheme Consideration in accordance with this clause 4 is permitted by that (or another) order or direction or otherwise by law.

4.5 Ineligible Foreign Shareholders and Electing Small Scheme Shareholders

- (a) Subject to obtaining relevant ASIC relief, if and to the extent, required, Fortuna will allow Small Scheme Shareholders to elect, in accordance with the procedure set out in clause 4.6, before the Record Date to be treated as an Electing Small Scheme Shareholder for the purposes of this clause 4.5.
- (b) Fortuna has no obligation to allot or issue, and will not issue or procure to be issued, any New Fortuna Shares to an Ineligible Foreign Shareholder or an Electing Small Scheme Shareholder under the Scheme and instead:
 - (i) subject to clauses 4.3 and 4.4, Fortuna must issue the New Fortuna Shares attributable to, and which would otherwise be required to be provided to, the Ineligible Foreign Shareholder or Electing Small Scheme Shareholder under the Scheme to the Sale Agent;
 - (ii) Fortuna must procure that, as soon as reasonably practicable and in any event not more than 20 Business Days after the Implementation Date, the Sale Agent, in consultation with Fortuna, sells or procures the sale (including on an aggregated or partially aggregated basis), at such price and on such other terms as the Sale Agent determines in good faith in the ordinary course of trading on the TSX, of all the New Fortuna Shares issued to the Sale Agent and remits to Fortuna the proceeds of sale (after deduction of any applicable brokerage, stamp duty and other costs, Taxes and charges) (the **Proceeds**); and
 - (iii) promptly after receiving the Proceeds in respect of the sale of all of the New Fortuna Shares referred to in clause 4.5(b)(ii), Fortuna must, pay, or procure the payment, to each Ineligible Foreign Shareholder and Electing Small Scheme Shareholder the amount calculated in accordance with the following formula and rounded down to the nearest cent:

$$A = (B / C) \times D$$

where:

- A** is the amount to be paid to the Ineligible Foreign Shareholder or the Electing Small Scheme Shareholder (as applicable);
- B** is the number of New Fortuna Shares attributable to, and that would otherwise have been issued to, that Ineligible Foreign Shareholder or Electing Small Scheme Shareholder (as applicable) had it not been an Ineligible Foreign Shareholder or an Electing Small Scheme Shareholder (as applicable) and which are instead issued to the Sale Agent;
- C** is the total number of New Fortuna Shares attributable to, and which would otherwise have been issued to, all Ineligible Foreign Shareholders and all Electing Small Scheme Shareholders collectively and which are instead issued to the Sale Agent; and
- D** is the Proceeds (as defined in clause 4.5(b)(ii)).

- (c) None of Fortuna, Chesser or the Sale Agent gives any assurance as to the price that will be achieved for the sale of New Fortuna Shares described in this clause 4.5, and the sale of the New Fortuna Shares under this clause 4.5 will be at the risk of the Ineligible Foreign Shareholder or the Electing Small Scheme Shareholder (as applicable).
- (d) Fortuna must appoint the Sale Agent at least two weeks prior to the Scheme Meeting.

4.6 Election procedure for Small Scheme Shareholders

- (a) Chesser must provide or procure the provision of an Election Form to each Small Scheme Shareholder with the Scheme Booklet that is sent to them.
- (b) Subject to clause 4.6(c), each Small Scheme Shareholder will be entitled to elect to be treated as an Electing Small Scheme Shareholder for the purposes of clause 4.5.
- (c) For an election to be valid:
 - (i) the Small Scheme Shareholder must complete and sign the Election Form in accordance with the terms and conditions of the Election Form, the instructions in the Scheme Booklet, the Scheme and this clause 4.6; and
 - (ii) the Election Form must be received by the Chesser Registry at the address specified on the Election Form by no later than 5.00pm on the date that is two Business Days before the Record Date (**Election Time**).
- (d) The Election Form must include the relevant matters set out in the Scheme and must otherwise be in a form agreed by Chesser and Fortuna in writing (each acting reasonably).
- (e) Chesser must procure that, to the extent reasonably practicable, Chesser Shareholders who acquired Chesser Shares after the date of the despatch of the Scheme Booklet and the Election Form receive an Election Form on request to Chesser.

4.7 Ranking of Fortuna Shares

Fortuna covenants in favour of Chesser (in its own right and on behalf of the Scheme Shareholders) that:

- (a) the New Fortuna Shares to be issued as Scheme Consideration under the Scheme will, on their issue, be duly and validly authorised and be of the same class of Fortuna Shares currently issued and outstanding and listed on the TSX and will rank equally in all respects with all Fortuna Shares on issue at the Implementation Date;
- (b) each such New Fortuna Share to be issued will, when issued pursuant to the Scheme, be validly issued as a fully paid and non-assessable Fortuna Share; and
- (c) on issue each such New Fortuna Share will be fully paid, non-assessable and free from any mortgage, charge, lien, encumbrance or other security interest.

4.8 Provision of Chesser Share information

- (a) In order to facilitate the provision of the Scheme Consideration, Chesser must provide, or procure the provision of, to Fortuna or a nominee of Fortuna:
 - (i) reasonable written updates of the Election Forms that have been received in the period up to the Election Time;
 - (ii) written details of elections made by Electing Small Scheme Shareholders, within one Business Day after the Record Date; and
 - (iii) a complete copy of the Chesser Register as at the Record Date (which must include the name, registered address and registered holding of each Scheme

Shareholder as at the Record Date), within one Business Day after the Record Date.

- (b) The details and information to be provided under clause 4.8(a) must be provided in such form as Fortuna, its nominee or registry may reasonably require.

4.9 No amendment to the Scheme without consent

Chesser must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of the Scheme, without the prior written consent of Fortuna.

4.10 Chesser Equity Incentives

- (a) Chesser must take such action as is necessary after the Effective Date and prior to the Record Date to ensure that, by no later than the Record Date, there are no outstanding Chesser Equity Incentives on issue as at the Record Date.
- (b) In order to comply with its obligations under clause 4.10(a), Chesser must, subject to the Scheme becoming Effective:
 - (i) cause some or all of the outstanding Chesser Equity Incentives to vest and, following such vesting, cause the relevant number of Chesser Shares to be transferred or issued (as applicable) to allow the relevant former holders of the relevant Chesser Equity Incentives to participate in the Scheme; and
 - (ii) take such action as may be necessary to cancel for no consideration any outstanding Chesser Equity Incentives which it does not cause to vest in accordance with clause 4.10(b)(i) (if any).
- (c) Chesser must notify Fortuna of the number of Chesser Shares that have or will be issued in accordance with clause 4.10(b) (if any), by no later than two Business Days before the Effective Date.
- (d) Chesser acknowledges that the objective of taking the steps described in this clause 4.10 is to ensure that upon implementation of the Scheme, Fortuna will hold 100% of the securities and issued capital of Chesser.

4.11 Unclaimed monies

- (a) Chesser may cancel a cheque issued under this clause 4 if the cheque:
 - (i) is returned to Chesser; or
 - (ii) has not been presented for payment within six months after the date on which the cheque was sent.
- (b) During the period of 12 months commencing on the Implementation Date, on request in writing from a Scheme Shareholder to Chesser (or the Chesser Registry) (which request may not be made until the date which is 20 Business Days after the Implementation Date), Chesser must reissue a cheque that was previously cancelled under this clause 4.11.
- (c) The *Unclaimed Money Act 1995* (NSW) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in sections 7 and 8 of the *Unclaimed Money Act 1995* (NSW)), but any interest or other benefit accruing from unclaimed Scheme Consideration will be to the benefit of Fortuna.

4.12 Withholding and Senegalese transaction tax

- (a) If Fortuna is required by Subdivision 14-D of Schedule 1 to the *Taxation Administration Act 1953* (Cth) or any other law to pay an amount to the ATO on behalf of a Scheme Shareholder in respect of the acquisition of Chesser Shares from certain Scheme Shareholders, Fortuna:
- (i) is entitled to deduct the relevant amounts from the payment of the Scheme Consideration to those Scheme Shareholders (by issuing such lesser number of New Fortuna Shares to the Scheme Shareholders or Sale Agent, as appropriate) and remit those amounts to the ATO;
 - (ii) will not be obliged to increase the aggregate sum paid to Scheme Shareholders by the amount of the deduction contemplated in clause 4.12(a)(i) and the net aggregate sum payable to those Scheme Shareholders should be taken to be in full and final satisfaction of amounts owing to those Scheme Shareholders; and
 - (iii) must pay any amount to the ATO in the time permitted by law and, if requested in writing by the relevant Scheme Shareholder, provide a receipt or other appropriate evidence of such payment (or procure the provision of such receipt or other evidence) to the relevant Scheme Shareholder.
- (b) Fortuna and Chesser must use all reasonable endeavours to obtain clearance from the ATO (***Withholding Clearance***) such that withholding is not required under Subdivision 14-D. Chesser will provide all reasonably requested information in connection with the Withholding Clearance within a reasonable timeframe, having regard to the nature of the request.
- (c) Notwithstanding anything to the contrary in this deed, Fortuna hereby acknowledges, undertakes, covenants and agrees (in its own right and separately as trustee or nominee for each Scheme Shareholder) that any Tax or Taxes payable in Senegal as a result of the acquisition by Fortuna of the Scheme Shares is solely for the account and responsibility of Fortuna and, in respect thereof, Fortuna:
- (i) is not entitled to adjust the Scheme Consideration or the aggregate sum paid to Scheme Shareholders by the amount of any Tax or Taxes payable by Fortuna pursuant to this clause;
 - (ii) has no recourse to any Scheme Shareholder for the recovery or discharge of any such Tax or Taxes in any way whatsoever; and
 - (iii) further acknowledges and agrees that the actual or purported imposition and payment of any such Tax or Taxes on or by Fortuna or any Chesser Group Member pursuant to this clause 4.12(c) will not, of itself, under any circumstances be interpreted and construed to fall within the definition of a Chesser Material Adverse Change, nor will it or can it constitute a breach of any Chesser Representation and Warranty or any other provision of this deed, or provide Fortuna with the right to terminate this deed or to claim the Chesser Break Fee.

5 Implementation

5.1 Chesser's obligations

Chesser must take all steps reasonably necessary to propose and implement the Scheme as soon as is reasonably practicable after the Execution Date and otherwise in accordance with the Timetable, and in particular Chesser must:

A draft of such certificate must be provided by Chesser to Fortuna by 4.00pm on the Business Day prior to the Second Court Date;
- (t) **implementation of the Scheme:** if the Court approves the Scheme:

- (u) **ASX listing:** take all reasonable steps to maintain Chesser's admission to the official list of ASX and the quotation of Chesser Shares on ASX up to and including the Implementation Date, and subject to clause 5.1(r), not do anything to cause Chesser Shares to cease being quoted on ASX, or to become permanently suspended from quotation or to remove Chesser from the official list of the ASX until after implementation of the Transaction unless Fortuna has agreed in writing;
- (v) **Chesser Register information:** give to Fortuna full details of the names, registered addresses and holdings of each Chesser Shareholder as shown in the Chesser Register in such form as Fortuna may reasonably require:

- (x) **information regarding proxies and voting:** provide all necessary information, and procure that the Chesser Registry provides all necessary information, in each case in a form reasonably requested by Fortuna, for the purpose of understanding legal ownership of Chesser Shares and proxy appointments and directions received by Chesser prior to the Scheme Meeting and at any other such times as Fortuna may reasonably request;
- (y) **Fortuna Information:** during the period until the Fortuna Information (or any information solely derived from, or prepared solely in reliance on, the Fortuna Information) becomes publicly available, only use that information with the prior written consent of Fortuna;

- (aa) **all things necessary:** do all other things contemplated by or necessary to lawfully give effect to the Scheme and the orders of the Court approving the Scheme.

5.2 Fortuna's obligations

Fortuna must take all necessary steps to implement the Scheme as soon as is reasonably practicable, including doing each of the following:

- (a) **Timetable:** use reasonable endeavours to ensure that each step in the Timetable is met by the relevant date set out beside that step (to the extent within the control of Fortuna);
- (b) **Fortuna Information:** as soon as reasonably practicable after the Execution Date, prepare and promptly provide to Chesser the Fortuna Information for inclusion in the Scheme Booklet in accordance with all applicable laws, ASIC Regulatory Guide 60, applicable Takeovers Panel guidance notes and the ASX Listing Rules, and consent to the inclusion of that information in the Scheme Booklet (and Fortuna must not unreasonably withhold or delay such consent);

- (f) **reasonable assistance:** provide all assistance and information reasonably requested by Chesser or its Representatives in connection with the preparation of the Scheme Booklet (including any supplemental disclosure to Chesser Shareholders) and any documents required to be filed with the Court in respect of the Scheme; and

- (g) **Independent Expert's Report:** provide all assistance and information reasonably requested by Chesser or by the Independent Expert in connection with the preparation of the Independent Expert's Report;
- (h) **Court representation:** procure that it is represented by counsel at the Court hearing convened for the purposes of section 411(4)(b) of the Corporations Act, at which, through its counsel, Fortuna will undertake (if requested by the Court) to do all such things and take all such steps within its power as are necessary in order to ensure the fulfilment of its obligations under this deed and the Scheme;
- (i) **certificate:** at the hearing on the Second Court Date provide to the Court a certificate confirming (in respect of matters within its knowledge) whether or not the Conditions Precedent in clause 3.1 (other than the Condition Precedent in clause 3.1(d)) have been satisfied or waived in accordance with this deed. A draft of such certificate must be provided by Fortuna to Chesser by 4.00pm on the Business Day prior to the Second Court Date;

- (k) **promote Transaction:** participate in efforts reasonably requested by Chesser to promote the merits of the Transaction and the Scheme Consideration;
- (l) **Quotation of New Fortuna Shares:** apply to TSX and NYSE and obtain any consents or approvals necessary or advisable for the New Fortuna Shares to be issued pursuant to the Scheme to be listed on the TSX and the NYSE (subject to Fortuna fulfilling any post-closing conditions of the TSX or NYSE and to the Scheme becoming Effective), and to trade on the TSX and the NYSE as soon as practicable after the Implementation Date;
- (m) **Scheme Consideration:** if the Scheme becomes Effective, provide the Scheme Consideration in the manner and amount contemplated by clause 4 and the terms of the Scheme and Deed Poll; and
- (n) **compliance with laws:** do everything reasonably within its power to ensure that the Transaction is effected in accordance with all applicable laws and regulations.

5.3 Dispute as to Scheme Booklet

If, after a reasonable period of consultation, Chesser and Fortuna, each acting reasonably and in good faith, are unable to agree on the form or content of the Scheme Booklet, then:

- (a) if the disagreement relates to the form or content of the Fortuna Information (or any information solely derived from, or prepared solely in reliance on, the Fortuna Information), Chesser will, acting reasonably and in good faith, make such amendments to that information in the Scheme Booklet as Fortuna may require; and
- (b) otherwise, Chesser will, acting reasonably and in good faith, decide the final form of that aspect of the Scheme Booklet, provided that, if Fortuna disagrees with such final form and content, Chesser must include a statement to that effect in the Scheme Booklet.

5.4 Appeal process

Prior to making any public announcement or disclosure of or in relation to the Transaction or any other transaction the subject of this deed or the Scheme, each party must, to the extent reasonably practicable and lawful, consult with the other party as to the timing, form and content of that announcement or disclosure.

12 Confidentiality

12.1 Confidentiality Deed

Chesser and Fortuna each acknowledge and agree that they continue to be bound by the Confidentiality Deed after the Execution Date in respect of all information received by them from the other party on, before or after the Execution Date, provided that the terms of this deed will prevail over the terms of the Confidentiality Deed to the extent of any inconsistency.

12.2 Survival of obligations

The rights and obligations of Chesser and Fortuna in relation to confidential information under the Confidentiality Deed survive termination of this deed.

13 Chesser Exclusivity

13.1 No current discussions regarding a Competing Proposal

Chesser represents and warrants that, as at the Execution Date:

- (a) it is not a party to any agreement or arrangement with any Third Party entered into in respect of any Competing Proposal;
- (b) it is not, directly or indirectly, participating in any negotiations or discussions that concern, or that could reasonably be expected to lead to, any actual, proposed or potential Competing Proposal; and
- (c) any due diligence access granted to any Third Party for the purposes of such Third Party making, formulating, developing or finalising, or assisting in the making, formulation, development or finalisation of, a Competing Proposal has been terminated.

13.2 No-shop, no talk and no due diligence

During the Exclusivity Period, Chesser must not, and must ensure that each of its Representatives and each of its and their Associates, does not directly or indirectly:

- (a) **(no shop)** (i) solicit, invite, encourage, facilitate or initiate any enquiry, expression of interest, offer, proposal, discussion, negotiation or other communication with any Third Party in relation to, or that may reasonably be expected to encourage or lead to the

making of, or with a view to obtaining, any actual, proposed or potential Competing Proposal, or (ii) communicate any intention to do any of those things;

- (b) **(no talk)** subject to clause 13.3:
- (i) facilitate, enter into, continue or participate in negotiations or discussions with, or negotiate or enter into any agreement, arrangement or understanding with, any Third Party with respect to any enquiry, expression of interest, offer, proposal, discussion, negotiation or other communication by any person in relation to, or which may reasonably be expected to encourage or lead to the making of, any actual, proposed or potential Competing Proposal; or
 - (ii) offer or agree to do any of those things,
- even if the Competing Proposal was not directly or indirectly solicited, invited, encouraged, facilitated or initiated by Chesser or any of its Representatives or their Associates, or the Competing Proposal has been publicly disclosed; or
- (c) **(no due diligence)** subject to clause 13.3 (and without limiting the general nature of clause 13.2(b)), disclose or otherwise make available to any Third Party, or permit any Third Party to receive, any non-public information relating to Chesser or any Chesser Group Member, or consent to any person making available to any Third Party any information relating to Chesser or any Chesser Group Member, in connection with, or which would reasonably be expected to encourage or lead to a Third Party formulating, developing or finalising, or assisting in the formulation, development or finalisation of, any actual, proposed or potential Competing Proposal.

13.3 Limitation to no-talk and no-due diligence

Each of clauses 13.2(b) and 13.2(c) do not prevent Chesser from taking or omitting to take any action in relation to a bona fide actual, proposed or potential Competing Proposal (which was not solicited, invited, encouraged or initiated in breach of clause 13.2), provided that the Chesser Board has first determined in good faith, and in what the Chesser Board considers to be in the interests of Chesser and Chesser Shareholders, that:

- (a) after consultation with its advisers, such bona fide Competing Proposal is, or could reasonably be expected to lead to, a Superior Proposal; and
- (b) after receiving written legal advice from its external legal advisers, failing to respond to such a bona fide Competing Proposal would, or would be reasonably likely to, constitute a breach of any of the fiduciary or statutory duties of any member of the Chesser Board.

13.4 Notification by Chesser

- (a) During the Exclusivity Period, Chesser must as soon as reasonably practicable, but in any event within 24 hours, notify Fortuna in writing if it, or any of its Related Bodies Corporate or any of their respective Representatives becomes aware of any:

 - (ii) approach or proposal made to, or received by, Chesser, any other Chesser Group Member or any of their respective Representatives in connection with, or in respect of any exploration or completion of, or that may reasonably be expected to lead to, an actual, proposed or potential Competing Proposal;

- (iii) any request made by a Third Party for any non-public information relating to Chesser or any Chesser Group Member (other than where the Chesser Board reasonably believes that such request is not in connection with such Third Party formulating, developing or finalising, or assisting in the formulation, development or finalisation of, any actual, proposed or potential Competing Proposal); or
- (iv) provision by Chesser or any Chesser Group Member or any of their respective Representatives of any non-public information relating to concerning the business or operations of Chesser or the Chesser Group to any Third Party (other than a Government Agency) in connection with an actual, proposed or potential Competing Proposal,

whether direct or indirect, solicited or unsolicited, and in writing or otherwise. For the avoidance of doubt any of the acts described in paragraphs (i) to (iv) may only be taken by Chesser, any other Chesser Group Member or their respective Representatives, if not prohibited by clause 13.2 or if permitted by clause 13.3.

- (b) A notification given under clause 13.4(a) must include the name and identity of the relevant person making or proposing (or stated to be involved in) the relevant actual, proposed or potential Competing Proposal and all material terms of the applicable Competing Proposal (including the proposed price or, to the extent stated in the Competing Proposal, implied value (including details of the consideration if not cash alone), conditions, timing and break fee (if any) (in each case, to the extent known by Chesser, a Chesser Group Member or any of their respective Representatives).
- (c) During the Exclusivity Period, Chesser must also:
 - (i) notify Fortuna in writing as soon as practicable after becoming aware of any material development in relation to the Competing Proposal, including in respect of any information previously notified to Fortuna pursuant to this clause 13.4; and

 - (A) in the case of written materials, a copy of; and
 - (B) in any other case, a written statement of,

any material non-public information about the business or affairs of Chesser or any other Chesser Group Member disclosed or otherwise provided by Chesser or any of its Representatives to any Third Party in connection with any Competing Proposal that has not been provided to Fortuna, provided that Chesser may withhold any materials or information which contain commercially sensitive or competitive information.

13.5 Fortuna matching right

- (a) Without limiting clauses 13.1 and 13.2, during the Exclusivity Period, Chesser must not, and must procure that each other Chesser Group Member does not, enter into any legally binding agreement, arrangement or understanding (whether or not in writing) pursuant to which Chesser or any other Chesser Group Member proposes to undertake, or give effect to an actual, proposed or potential Competing Proposal, unless:
 - (i) the Chesser Board determines that the Competing Proposal is a Superior Proposal as contemplated by clause 13.3(a);
 - (ii) Chesser has provided Fortuna with a notice stating that it is given for the purposes of this clause 13.5 and setting out the material terms and conditions of

- the actual, proposed or potential Competing Proposal, including price, form of consideration, proposed deal protection provisions, any break or reimbursement fee, proposed timing and conditions precedent and the identity of any proponent that made or is stated to be involved in the actual, proposed or potential Competing Proposal;

- (b) If Fortuna announces a Fortuna Counterproposal by the expiry of the five clear Business Day period in clause 13.5(a)(iii), Chesser must procure that the Chesser Board considers the Fortuna Counterproposal and if the Chesser Board, acting reasonably and in good faith, determines that the Fortuna Counterproposal would provide an outcome that is no less favourable (or more favourable) for Chesser Shareholders as a whole compared with the Competing Proposal, taking into account all of the terms and conditions of the Fortuna Counterproposal, then:
- (i) Chesser must promptly, and in any event within 48 hours, notify Fortuna of the determination in writing, stating reasons for that determination;
 - (ii) Chesser and Fortuna must use their best endeavours to agree the amendments to the Transaction Documents (as applicable) that are reasonably necessary to give effect to the Fortuna Counterproposal, in each case as soon as reasonably practicable; and
 - (iii) Chesser must use its best endeavours to procure that each Chesser Director continues to recommend the Transaction (as modified by the Fortuna Counterproposal) to Chesser Shareholders (other than as permitted by this deed).
- (c) If the Chesser Board determines that a Fortuna Counterproposal would not provide an outcome that is no less favourable (or more favourable) for Chesser Shareholders as a whole compared with the Competing Proposal, then Chesser must promptly, and in any event within 48 hours, notify Fortuna of the determination in writing, stating reasons for that determination.
- (d) For the purposes of this clause 13.5, any material changes to the Competing Proposal will be taken to constitute a new actual, proposed or potential Competing Proposal and the procedures in this clause 13.5 must again be followed by Chesser prior to any Chesser Group Member entering into any agreement, arrangement or understanding in respect of an actual, proposed or potential Competing Proposal.
- (e) Despite any other provision in this deed, any public announcement or other statement by Chesser, the Chesser Board or any Chesser Director to the effect that:
- (i) the Chesser Board has determined that a Competing Proposal is a Superior Proposal and has commenced the matching right process set out in this clause 13.5; or

does not of itself:

 - (iv) contravene clause 8 or any other provision of this deed;
 - (v) give rise to an obligation to pay the Chesser Break Fee under clause 14; or
 - (vi) give rise to a termination right under clause 15 or any other provision of this deed.

13.6 Compliance with law

- (a) This clause 13 imposes obligations on Chesser only to the extent that the performance of all or part of those obligations:
 - (i) does not constitute unacceptable circumstances as declared by the Takeovers Panel;
 - (ii) does not require any member of the Chesser Board to take or fail to take any action that would, or would reasonably be likely to, constitute a breach of his or her fiduciary or statutory duties; and
 - (iii) is not determined to be unlawful by a court,
subject to all proper avenues of appeal and review, judicial and otherwise having been exhausted.
- (b) The parties must not make, or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination of a kind referred to in clause 13.6(a).

14 Chesser Break Fee

14.1 Background

- (a) This clause 14 has been agreed to in circumstances where:
- (i) Chesser believes the implementation of the Scheme will provide significant benefits to Chesser and the Chesser Shareholders, and acknowledges that, if Fortuna enters into this deed and the Scheme is subsequently not implemented, Fortuna will have incurred significant costs, including significant opportunity costs;
 - (ii) Fortuna requested provision be made for the relevant payment outlined in this clause 14, without which it would not have entered into this deed;
 - (iii) the Chesser Board believes that it is appropriate to agree to the payment referred to in this clause 14 to secure Fortuna's entry into this deed; and
 - (iv) Chesser has received advice from its financial and external legal Advisers in relation to this deed and the operation of and amount it has agreed to pay under this clause 14.
- (b) The parties acknowledge and agree that the costs actually incurred by Fortuna as referred to in clause 14.1(a)(i) will be of such nature that they cannot be accurately ascertained, but that the Chesser Break Fee is a genuine and reasonable pre-estimate of the minimum cost and loss that would actually be suffered by Fortuna.

14.2 Payment of Chesser Break Fee

Subject to clauses 14.3 and 14.6, Chesser must pay Fortuna the Chesser Break Fee if any of the following events occur:

- (a) at any time before the End Date or, if earlier, the date this deed is terminated under clause 15, any Chesser Director makes a public statement:
- (i) withdrawing or adversely changing or modifying their Recommendation or Voting Intention Statement; or
 - (ii) supporting or endorsing a Competing Proposal,
- other than in circumstances where:
- (iii) the Independent Expert concludes in the Independent Expert's Report that the Scheme is not in the best interests of Chesser Shareholders (except in circumstances where the Independent Expert reaches that conclusion due to the existence of a Competing Proposal);
 - (iv) the Chesser Director is required to do so by or in order to comply with an order of a court of competent jurisdiction, ASIC or the Takeovers Panel; or
 - (v) Chesser validly terminates this deed under clause 15.1(b);
- (b) at any time before the End Date or, if earlier, the date this deed is terminated under clause 15.1, a Competing Proposal is announced by a Third Party and, within one year of the date of such announcement, the Third Party or another Third Party:
- (i) completes in all material respects a transaction of the kind referred to in paragraphs (b), (c) or (d) of the definition of Competing Proposal; or
 - (ii) has a Relevant Interest in at least 50% of Chesser Shares under a transaction that is or has become wholly unconditional or otherwise comes to control (within the meaning of section 50AA of the Corporations Act) Chesser or acquires substantially all of the assets of Chesser; or

- (c) Fortuna validly terminates this deed under clause 15.1(b).

14.3 Payment conditions

- (a) Notwithstanding the occurrence of any event under clause 14.2, no amount is payable under that clause if the Scheme becomes Effective.
- (b) Chesser can only ever be liable to pay the Chesser Break Fee once.

14.4 Timing of payment

If the Chesser Break Fee is payable under this clause 14, Chesser must pay the Chesser Break Fee without set-off or withholding within five Business Days of receipt of a demand for payment from Fortuna.

14.5 Nature of payment

The amount payable by Chesser to Fortuna under clause 14.2 is an amount to compensate Fortuna for:

- (a) reasonable advisory costs (including costs of Advisers other than success fees);
- (b) costs of management and directors' time;
- (c) reasonable out-of-pocket expenses relating to the Scheme;
- (d) damage to reputation associated with a failed transaction and the implication of that damage to the Fortuna's business; and
- (e) reasonable opportunity costs in pursuing the Transaction (including the significant disruption of its existing business, and diversion of board and management time and focus from its existing business), or in not pursuing other alternative acquisitions or strategic initiatives which could have been developed to further business and objectives,

incurred by Fortuna.

14.6 Compliance with law

- (a) This clause 14 imposes obligations on Chesser only to the extent that the performance of all or part of those obligations:
 - (i) does not constitute unacceptable circumstances as declared by the Takeovers Panel; and
 - (ii) is not determined to be unlawful by a court (including by virtue of it being a breach of the Chesser Board's fiduciary or statutory duties),subject to all proper avenues of appeal and review, judicial and otherwise, having been exhausted.
- (b) The parties must not make, or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination of a kind referred to in clause 14.6(a).

14.7 Limitation of liability

- (a) Notwithstanding any other provision of this deed, and except in relation to: (A) conduct designed or intended to frustrate the Transaction; or (B) fraud, wilful or intentional breach of this deed by or on behalf of Chesser or any other Chesser Indemnified Parties:
 - (i) the maximum aggregate liability of Chesser or the other Chesser Indemnified Parties to Fortuna under or in connection with this deed including in respect of any breach of this deed will be the amount of the Chesser Break Fee;

- (ii) a payment by Chesser of the Chesser Break Fee in accordance with this clause 14 represents the sole and absolute liability of Chesser or the other Chesser Indemnified Parties to Fortuna under or in connection with this deed and no further damages, fees, expenses or reimbursements of any kind will be payable by Chesser or the other Chesser Indemnified Parties to Fortuna in connection with this deed; and
 - (iii) the amount of the Chesser Break Fee payable to Fortuna under this clause 14 shall be reduced by the amount of any loss or damage recovered by Fortuna in relation to a breach of any other clause of this deed.
- (b) For the avoidance of doubt, the limit in clause 14.7(a) will not apply where Chesser or any other Chesser Indemnified Party wilfully breaches its obligations under this deed by refusing to implement the Transaction or by failing to take steps to implement the Transaction in accordance with this deed. Moreover, nothing in clause 14.7(a) limits the liability of Chesser or any other Chesser Indemnified Party under the Transaction Documents or at law or the ability of Fortuna to seek and obtain the remedy of specific performance.
- (c) Chesser receives and holds the benefit of this clause 14 to the extent it relates to each Chesser Indemnified Party as trustee for each of them.

- (i) if an Ineligible Foreign Shareholder or an Electing Small Scheme Shareholder has, before the Record Date, made a valid election in accordance with the requirements of the Chesser Registry to receive dividend payments from Chesser by electronic funds transfer to a bank account nominated by the Scheme Shareholder, paying, or procuring the payment of, the relevant amount in Australian currency by electronic means in accordance with that election or by Global Wire;
 - (ii) paying or procuring the payment of, the relevant amount in Australian currency by electronic means to a bank account nominated by the Ineligible Foreign Shareholder or Electing Small Scheme Shareholder by an appropriate authority from the Ineligible Foreign Shareholder or Electing Small Scheme Shareholder to Fortuna; or
 - (iii) dispatching, or procuring the dispatch of, a cheque for the relevant amount in Australian currency to the Ineligible Foreign Shareholder or Electing Small Scheme Shareholder by prepaid post to their Registered Address (as at the Record Date), such cheque being drawn in the name of the Ineligible Foreign Shareholder or Electing Small Scheme Shareholder (or in the case of joint holders, in accordance with the procedures set out in clause 5.3).
- (e) Each Ineligible Foreign Shareholder and Electing Small Scheme Shareholder appoints Chesser as its agent to receive on its behalf any financial services guide (or similar or equivalent document) or other notices (including any updates of those documents) that the Sale Agent is required to provide to Ineligible Foreign Shareholders and Electing Small Scheme Shareholders under the Corporations Act or any other applicable law.
- (f) Payment of the amount calculated in accordance with clause 5.4(b) to an Ineligible Foreign Shareholder or Electing Small Scheme Shareholder in accordance with this clause 5.4 satisfies in full the Ineligible Foreign Shareholder's or Electing Small Scheme Shareholder's right the Scrip Consideration.
- (g) If there is any surplus Proceeds, that surplus may be retained by Fortuna following the satisfaction of its obligations under clause 5.4(b). Any interest on the Proceeds (less bank fees and charges) will be to Fortuna's account.

5.5 Fractional entitlements and splitting

- (a) Where the calculation of the number of New Fortuna Shares to be issued to a particular Scheme Shareholder (or to the Sale Agent in the case of an Ineligible Foreign Shareholder or an Electing Small Scheme Shareholder) would result in the Scheme Shareholder becoming entitled to a fraction of a New Fortuna Share, the fractional entitlement will be rounded down to the nearest whole number of New Fortuna Shares.
- (b) If Fortuna and Chesser are of the opinion (formed reasonably) that two or more Scheme Shareholders (each of whom holds a number of Scheme Shares that results in rounding in accordance with clause 5.5(a)) have, before the Record Date, been party to shareholding splitting or division in an attempt to obtain an advantage by reference to such rounding, if requested by Fortuna, Chesser must give notice to those Scheme Shareholders:
- (i) setting out their names and Registered Addresses;
 - (ii) stating that opinion; and
 - (iii) attributing to one of them specifically identified in the notice the Chesser Shares held by all of them,

and, after such notice has been given, the Scheme Shareholder specifically identified in the notice will, for the purposes of the Scheme, be taken to hold all of those Chesser Shares and each of the other Scheme Shareholders whose names and registered addresses are set out in the notice will, for the purposes of the Scheme, be taken to hold no Chesser Shares. Fortuna, in complying with the provisions of the Scheme relating to it in respect of the Scheme Shareholder specifically identified in the notice as the deemed holder of all the specified Chesser Shares, will be taken to have satisfied and discharged its obligations to the other Scheme Shareholders named in the notice under the terms of the Scheme.

5.6 Other ineligible Scheme Shareholders

Where the issue of Scrip Consideration to which a Scheme Shareholder (other than an Ineligible Foreign Shareholder or Electing Small Scheme Shareholder) would otherwise be entitled under this Scheme would result in a breach of law:

- (a) Fortuna will issue the maximum possible number of New Fortuna Shares as Scrip Consideration to the Scheme Shareholder without giving rise to such a breach; and
- (b) any further New Fortuna Shares to which that Scheme Shareholder is entitled as Scrip Consideration but the issue of which to the Scheme Shareholder would give rise to such a breach of law (***Ineligible Scrip Consideration***), will instead be issued to the Sale Agent and dealt with under clause 5.4 as if the Ineligible Scrip Consideration were Scrip Consideration to which an Ineligible Foreign Shareholder or an Electing Small Scheme Shareholder would have (but for clause 5.4) been entitled.

5.7 Orders of a court or Government Agency

If written notice is given to Chesser (or the Chesser Registry) or Fortuna of an order or direction made by a court of competent jurisdiction or by another Government Agency that:

- (a) requires consideration to be provided to a third party (either through payment of a sum or the issuance of a security) in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable or required to be issued to that Scheme Shareholder by Chesser or Fortuna in accordance with this clause 5, then Chesser or Fortuna (as applicable) shall be entitled to procure that provision of that consideration is made in accordance with that order or direction; or
- (b) prevents Chesser or Fortuna from providing consideration to any particular Scheme Shareholder in accordance with this clause 5, or the payment or issuance of such consideration is otherwise prohibited by applicable law, Chesser or Fortuna (as applicable) shall be entitled to:
 - (i) in the case of any Ineligible Foreign Shareholder or Electing Small Scheme Shareholder, retain an amount, in Australian dollars, equal to the relevant Ineligible Foreign Shareholder's or Electing Small Scheme Shareholder's share of any proceeds of sale received pursuant to clause 5.4; and
 - (ii) not issue (or, in the case of Chesser, direct Fortuna not to issue), or issue (or, in the case of Chesser, direct Fortuna to issue) to a permitted trustee or nominee, such number of New Fortuna Shares as Scrip Consideration,

until such time as the provision of the Scheme Consideration in accordance with this clause 5 is permitted by that (or another) order or direction or otherwise by law.

5.8 Withholding

If Fortuna is required by Subdivision 14-D of Schedule 1 to the *Taxation Administration Act 1953* (Cth) or any other law to pay an amount to the ATO on behalf of a Scheme Shareholder in respect of the acquisition of Chesser Shares from certain Scheme Shareholders, Fortuna:

- (a) is entitled to deduct the relevant amounts from the payment of the Scheme Consideration to those Scheme Shareholders (by issuing such lesser number of New Fortuna Shares to the Scheme Shareholders or Sale Agent, as appropriate) and remit those amounts to the ATO;
- (b) will not be obliged to increase the aggregate sum paid to Scheme Shareholders by the amount of the deduction contemplated in clause 5.8(a) and the net aggregate sum payable to those Scheme Shareholders should be taken to be in full and final satisfaction of amounts owing to those Scheme Shareholders; and
- (c) must pay any amount to the ATO in the time permitted by law and, if requested in writing by the relevant Scheme Shareholder, provide a receipt or other appropriate evidence of such payment (or procure the provision of such receipt or other evidence) to the relevant Scheme Shareholder.

5.9 Unclaimed monies

- (a) Chesser may cancel a cheque issued under this clause 5 if the cheque:
 - (i) is returned to Chesser; or
 - (ii) has not been presented for payment within six months after the date on which the cheque was sent.
- (b) During the period of 12 months commencing on the Implementation Date, on request in writing from a Scheme Shareholder to Chesser (or the Chesser Registry) (which request may not be made until the date which is 20 Business Days after the Implementation Date), Chesser must reissue a cheque that was previously cancelled under this clause 5.9.
- (c) The *Unclaimed Money Act 1995* (NSW) will apply in relation to any Scheme Consideration which becomes 'unclaimed money' (as defined in sections 7 and 8 of the *Unclaimed Money Act 1995* (NSW)), but any interest or other benefit accruing from unclaimed Scheme Consideration will be to the benefit of Fortuna.

6 Dealings in Chesser Shares

6.1 Determination of Scheme Shareholders

To establish the identity of the Scheme Shareholders, dealings in Chesser Shares and other alterations to the Chesser Share Register will only be recognised by Chesser if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Chesser Register as the holder of the relevant Chesser Shares on or before the Record Date; and
- (b) in all other cases, registrable transmission applications or transfers in respect of those dealings, or valid requests in respect of those alterations, are received on or before the Record Date at the place where the Chesser Register is kept,

and Chesser must not accept for registration, nor recognise for any purpose (except a transfer to Fortuna pursuant to this Scheme and any subsequent transfer by Fortuna and its successors in

title), any transfer or transmission application or other request received after the Record Date, or received prior to the Record Date but not in actionable or registrable form (as appropriate).

6.2 Register

- (a) Chesser must, until the Scheme Consideration has been provided and the name and address of Fortuna has been entered in the Chesser Register as the holder of all of the Scheme Shares, maintain, or procure the maintenance of, the Chesser Register in accordance with this clause 6. The Chesser Register in this form and the terms of this Scheme will solely determine entitlements to the Scheme Consideration.
- (b) Chesser must register, or cause to be registered, registrable transmission applications or transfers of the Scheme Shares in accordance with clause 6.1(b) by the Record Date, provided that, for the avoidance of doubt, nothing in this clause 6.2(b) requires Chesser to register a transfer that would result in a Scheme Shareholder holding a parcel of Chesser Shares that is less than a 'marketable parcel' (for the purposes of this clause 6.2(b), 'marketable parcel' has the meaning given in the Operating Rules).
- (c) Chesser will not accept for registration or recognise for any purpose any transmission application or transfer in respect of Scheme Shares received after the Record Date, other than to Fortuna in accordance with this Scheme and any subsequent transfer by Fortuna or its successors in title.
- (d) As soon as possible on or after the Election Time, and in any event within one Business Day after the Election Time, Chesser must provide to Fortuna details including the name and Registered Address of each Electing Small Scheme Shareholder.
- (e) As soon as possible after the Record Date, and in any event by 5.00pm on the first Business Day after the Record Date, Chesser will ensure that details of the names, Registered Addresses and holdings of Chesser Shares for each Scheme Shareholder as shown in the Chesser Register are available to Fortuna in the form Fortuna reasonably requires.

6.3 No disposals after Record Date

If this Scheme becomes Effective, each Scheme Shareholder, and any person claiming through that Scheme Shareholder, must not dispose of, or purport or agree to dispose of, any Scheme Shares or any interest in them after the Record Date (other than pursuant to this Scheme), and any attempt to do so will have no effect and Chesser shall be entitled to disregard any such disposal, purported disposal or agreement.

6.4 Effect of share certificates and holding statements

All share certificates and holding statements for Scheme Shares (other than statements of holding in favour of Fortuna and its successors in title) will cease to have effect after the Record Date as documents of title in respect of those Scheme Shares and, as from that date and time, each entry current in the Chesser Register as at the Record Date (other than entries in the Chesser Register in respect of Fortuna) will cease to have effect except as evidence of entitlement to the Scheme Consideration in respect of the Scheme Shares relating to that entry.

7 Quotation of Chesser Shares

- (a) Chesser must apply to the ASX to suspend trading of Chesser Shares on the ASX with effect from the close of trading on the Effective Date.
- (b) On a date after the Implementation Date, to be determined by Fortuna, Chesser must apply to the ASX:

- (i) for termination of the official quotation of Chesser Shares on the ASX; and
- (ii) to have Chesser removed from the official list of the ASX.

8 General Provisions

8.1 Consent to amendments to this Scheme

If the Court proposes to approve this Scheme subject to any alterations or conditions:

- (a) Chesser may, by its counsel or solicitors, and with the prior written consent of Fortuna, consent on behalf of all persons concerned, including each Scheme Shareholder, to those alterations or conditions; and
- (b) each Scheme Shareholder agrees to any such alterations or conditions to which Chesser has consented.

8.2 Covenants by Scheme Shareholders

- (a) Each Scheme Shareholder:
 - (i) acknowledges and agrees that this Scheme binds Chesser and all Scheme Shareholders (including those that did not attend the Scheme Meeting or did not vote at that meeting or voted against this Scheme at that Scheme Meeting) and, to the extent of any inconsistency, overrides any other part of the Constitution (but, for the avoidance of doubt, remains subject to the Corporations Act and the Listing Rules);
 - (ii) irrevocably agrees to the transfer of all of their Scheme Shares, together with all rights and entitlements attaching to those Scheme Shares, to Fortuna in accordance with the terms of this Scheme;
 - (iii) agrees to the variation, cancellation or modification of the rights attached to their Scheme Shares constituted by or resulting from this Scheme;
 - (iv) agrees to, at the direction of Fortuna, destroy any holding statements or share certificates relating to their Scheme Shares;

 - (vi) other than Ineligible Foreign Shareholders and Electing Small Scheme Shareholders, agrees to become a shareholder of Fortuna, to have accepted the New Fortuna Shares issued to that shareholder under this Scheme, to be bound by the terms of Fortuna's constituent documents and to be recorded in the Fortuna Register as a holder of Fortuna Shares (in respect of the Scrip Consideration issued to that Scheme Shareholder);
 - (vii) that is an Ineligible Foreign Shareholder or an Electing Small Scheme Shareholder, irrevocably agrees and acknowledges that the payment to it of an amount in accordance with clause 5.4(b)(iii) constitutes the satisfaction in full of its entitlement to the Scrip Consideration under this Scheme;
 - (viii) irrevocably consents to Chesser and Fortuna doing all things and executing all deeds, instruments, transfers or other documents as may be necessary or desirable to give full effect to the terms of this Scheme and the transactions contemplated by it,

without the need for any further act by that Scheme Shareholder.

- (b) Each Scheme Shareholder is deemed to have warranted to Fortuna and Chesser, and to have appointed and authorised Chesser (or any of its directors or officers) as its attorney and agent to warrant to Fortuna, that as at the Implementation Date:
 - (i) all of their Scheme Shares (including all rights and entitlements attaching to those shares) which are transferred under this Scheme will, at the time of transfer of them to Fortuna pursuant to this Scheme, be fully paid and free from all Encumbrances and restrictions on transfer of any kind; and
 - (ii) they have full power and capacity to sell and transfer their Scheme Shares to Fortuna together with any rights and entitlements attaching to those Scheme Shares; and
 - (iii) they have no existing right to be issued any other Scheme Shares or any other form of Chesser securities.
- (c) Chesser undertakes in favour of each Scheme Shareholder that it will provide such warranties in clause 8.2(b) to Fortuna as agent and attorney for each Scheme Shareholder.

8.3 Title to and rights in Scheme Shares

- (a) To the extent permitted by law, the Scheme Shares (including all rights and entitlements attaching to the Scheme Shares) transferred under this Scheme to Fortuna will, at the time of transfer of them to Fortuna, be fully paid and free from all Encumbrances and other interests of third parties of any kind, whether legal or otherwise, and restrictions on transfer of any kind.
- (b) Immediately upon the provision of the Scheme Consideration in the manner contemplated by clause 5 (other than clause 5.2(a)(ii)), Fortuna will be beneficially entitled to the Scheme Shares to be transferred to it under this Scheme pending registration by Chesser of the name and address of Fortuna in the Chesser Register as the holder of the Scheme Shares.

8.4 Appointment of sole proxy

Immediately upon the provision of the Scheme Consideration to each Scheme Shareholder in the manner contemplated by clause 5.2(a)(i) and until Fortuna is registered in the Chesser Register as the holder of all Scheme Shares, each Scheme Shareholder, without the need for any further act by that Scheme Shareholder:

- (a) is deemed to have irrevocably appointed Fortuna as its attorney and agent (and directed Fortuna in each capacity) to appoint any director, officer, secretary or agent nominated by Fortuna as its sole proxy and, where applicable or appropriate, its corporate representative to:
 - (i) attend Chesser shareholders' meetings;
 - (ii) exercise the votes attaching to the Scheme Shares registered in the name of Scheme Shareholder; and
 - (iii) sign any shareholders' resolution or document;
- (b) must not attend or vote at any of those meetings or sign any resolutions (whether in person, by proxy or by corporate representative) other than pursuant to clause 8.4(a);
- (c) must take all other actions in the capacity of a registered holder of Scheme Shares as Fortuna reasonably directs; and

- (d) acknowledges and agrees that in exercising the powers referred to in this clause 8.4, Fortuna and any person nominated by Fortuna under this clause 8.4 may act in the best interests of Fortuna as the intended registered holder of the Scheme Shares.

8.5 Authority given to Chesser

- (a) Each Scheme Shareholder, without the need for any further act on the Effective Date:
 - (i) irrevocably appoints Chesser and all of its directors, officers and secretaries (jointly and severally) as its attorney and agent for the purpose of:
 - (A) enforcing the Deed Poll against Fortuna;
 - (B) executing any document or doing or taking any other act necessary, desirable or expedient to give effect to this Scheme and the transactions contemplated by it, including executing and delivering the Scheme Transfer; and

 - (ii) as attorney and agent of each Scheme Shareholder, may sub-delegate its functions, authorities or powers under this clause 8.5 to all or any of its directors, officers or employees (jointly, severally or jointly and severally).

8.6 Instructions and elections

If not prohibited by law (and including where permitted or facilitated by relief granted by a Government Agency), all instructions, notifications or elections by a Scheme Shareholder to Chesser that are binding or deemed binding between the Scheme Shareholder and Chesser relating to Chesser or Chesser Shares, including instructions, notifications or elections relating to:

- (a) whether dividends are to be paid by cheque or into a specific bank account;
- (b) payments of dividends on Chesser Shares; and
- (c) notices or other communications from Chesser (including by email),

will be deemed from the Implementation Date (except to the extent determined otherwise by Fortuna in its sole discretion), by reason of this Scheme, to be made by the Scheme Shareholder to Fortuna and to be a binding instruction, notification or election to, and accepted by, Fortuna in respect of the New Fortuna Shares issued to that Scheme Shareholder until that instruction, notification or election is revoked or amended in writing addressed to Fortuna at its registry.

8.7 Binding effect of Scheme

This Scheme binds Chesser and all of the Scheme Shareholders (including those who did not attend the Scheme Meeting to vote on this Scheme, did not vote at the Scheme Meeting, or voted against this Scheme at the Scheme Meeting) and, to the extent of any inconsistency, overrides the Constitution.

9 General

9.1 Duty

Fortuna:

- (a) will pay or procure payment of all duty (including stamp duty) and any related fines and penalties in respect of this Scheme and the Deed Poll, the performance of the Deed Poll and each transaction effected by or made under this Scheme and the Deed Poll; and
- (b) indemnifies each Scheme Shareholder against any liability arising from failure to comply with clause 9.1(a).

9.2 Consent

Each of the Scheme Shareholders consents to Chesser doing all things necessary or incidental to the implementation of this Scheme, whether on behalf of the Scheme Shareholders, Chesser or otherwise.

9.3 Notices

- (a) If a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post to Chesser, it will not be taken to be received in the ordinary course of post or on a date and time other than the date and time (if any) on which it is actually received at Chesser's registered office or at the office of the Chesser Share Registry.
- (b) The accidental omission to give notice of the Scheme Meeting or the non-receipt of such notice by a Chesser Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

9.4 Governing law

- (a) This Scheme is governed by the law in force in New South Wales.
- (b) Each party irrevocably:
 - (i) submits to the non-exclusive jurisdiction of the courts exercising jurisdiction in New South Wales, and the courts competent to determine appeals from those courts, with respect to any proceedings arising out of or in connection with this Scheme; and
 - (ii) waives any objection to the venue of any proceedings in these courts on the basis that the process has been brought in an inconvenient forum.

9.5 Further action

Chesser must do all things and execute all documents necessary to give full effect to this Scheme and the transactions contemplated by it.

9.6 No liability when acting in good faith

Each Scheme Shareholder agrees that neither Chesser nor Fortuna, nor any of their respective directors, officers, secretaries or employees, will be liable for anything done or omitted to be done in the performance of this Scheme or the Deed Poll in good faith.

3.1 Conditions precedent

The obligations of Fortuna under this Deed Poll are subject to the Scheme becoming Effective.

- (b) the Scheme is not Effective on or before the End Date; or
- (c) the Scheme terminates,

unless Fortuna and Chesser otherwise agree in writing (and, if required, as approved by the Court).

7 Senegalese Transactions Tax Obligations

Notwithstanding anything to the contrary in this deed, Fortuna hereby acknowledges, undertakes, covenants and agrees in favour of each Scheme Shareholder that any Tax or Taxes payable in Senegal as a result of the acquisition by Fortuna of the Scheme Shares is solely for the account and responsibility of Fortuna and, in respect thereof, Fortuna:

- (a) is not entitled to adjust the Scheme Consideration or the aggregate sum paid to Scheme Shareholders by the amount of any Tax or Taxes payable by Fortuna pursuant to this clause; and

8 General

 - (i) before the First Court Date, the amendment or variation is agreed to in writing by Chesser and Fortuna (which such agreement may be given or withheld without reference to or approval by any Scheme Shareholder); or
 - (ii) on or after the First Court Date, the amendment or variation is agreed to in writing by Chesser and Fortuna (which such agreement may be given or withheld without

- (b) Fortuna enters into a further deed poll in favour of the Scheme Shareholders giving effect to that amendment or variation.

8.2 Waiver

- (a) Fortuna may not rely on the words or conduct of any Scheme Shareholder as a waiver of any right unless the waiver is in writing and signed by the Scheme Shareholder granting the waiver.

8.7 Governing law

- (a) This Deed Poll is governed by the law in force in New South Wales.
- (b) Fortuna irrevocably:

- (i) submits to the non-exclusive jurisdiction of the courts exercising jurisdiction in New South Wales, and the courts competent to determine appeals from those courts, with respect to any proceedings arising out of or in connection with this Deed Poll; and
