- (d) do anything reasonably necessary to ensure that the Company is subrogated to and enjoys the benefit of the rights of the Indemnified Parties in relation to any cross claim and to render such assistance as may be reasonably requested by the Company for that purpose.

12.7 Conditions to Indemnified Parties' obligations

- (a) The Indemnified Parties are under no obligation under clause 12.6, nor are the terms of clause 12.5 to apply, unless, at the time at which the Company requests any of the Indemnified Parties to take any action, the Company:
 - (i) acknowledges that it is liable to indemnify the Indemnified Parties in respect of the Claim;
 - (ii) satisfies and continues to satisfy the Indemnified Parties of its financial ability to indemnify the Indemnified Parties;
 - (iii) obtains legal advice from senior counsel experienced in the relevant areas that there is a reasonable prospect of successfully defending the Claim and counsel remains of that view; and
 - (iv) irrevocably and unconditionally agrees in a form acceptable to the Indemnified Parties, acting reasonably, to indemnify the Indemnified Parties against all any costs, charges or expenses incurred by or awarded against the Indemnified Parties in taking the action required, as and when they fall due, including legal costs and disbursements of their lawyers on a full indemnity basis and the cost of any involvement of any officers of the Underwriter at normal commercial rates.
- (b) An Indemnified Party is under no obligation to take or refrain from taking action under clause 12.6 or to give the consent contemplated by clause 12.5(a)(iv) if to do so would in the reasonable opinion of the Indemnified Party, lead to a risk of damage to its reputation or standing or that of the Underwriter.

12.8 Separate representation

- (a) Notwithstanding anything to the contrary in this clause 12, an Indemnified Party may engage its own legal or other representation and participate in any proceeding arising pursuant to this clause 12 where the Company has the conduct of the proceeding, but any expenses incurred by it in relation to that proceeding will only be borne by the Company to the extent that those expenses are incurred:
 - (i) prior to the Company taking over conduct of that proceeding;
 - (ii) with the prior written authority of the Company;
 - (iii) as a result of the operation of clause 12.5(a)(vi), without prejudice to its right of indemnity under clause 12.1, if a conflict arises for legal counsel chosen by the Company or between the interests of the Company and the interests of the Indemnified Party;
 - (iv) where there may be legal defences available to the Indemnified Party that are different from or additional to those available to the Company or another Indemnified Party represented by such legal counsel and the counsel appointed by the Company does not put on and pursue those defences on behalf of the Indemnified Party to the reasonable satisfaction of such Indemnified Party; or
 - (v) if the Indemnified Party reasonably believes it is necessary to do so in order to protect the Indemnified Party's reputation or standing.
- (b) However, nothing in this clause 12.8 affects the obligation of the Company to bear those Losses that are the subject of clause 12.5(d).

12.9 Contractual contribution

If for any reason the indemnities contained in this clause 12 are unavailable or insufficient to fully indemnify any Indemnified Party against any Loss against which the Indemnified Party is stated to be indemnified under this clause 12 (other than as a result of the operation of clause 12.2) (**Relevant Loss**), then the Company agrees to contribute to the Relevant Loss in accordance with this clause 12.9 to clause 12.13, in all cases to the maximum extent allowable by law.

12.10 Proportional contribution

The respective proportional contribution of the Company and the Indemnified Parties in relation to the Relevant Loss will be as agreed by the Company and the Indemnified Parties (and failing agreement as determined by a court of competent jurisdiction) having regard to the participation in, instigation of or other involvement of the Company on the one hand (in relation to the proportional contribution of the Company) and the Indemnified Parties on the other hand (in relation to the proportional contribution of the Indemnified Parties) in the act complained of. Without limiting the generality of this clause 12.10, regard must be had to the Indemnified Parties and the Company's relative intent, knowledge, access to information and opportunity to correct any untrue statement or omission.

12.11 No excess contribution

The Company agrees with the Indemnified Parties that the Underwriter and the Indemnified Parties will not be required to contribute under clause 12.10 to any Relevant Loss in an aggregate amount exceeding the aggregate fees paid by the Company under this agreement to the Underwriter.

12.12 Reimbursement by Company

If an Indemnified Party pays an amount in relation to a Loss where it is entitled to contribution from the Company under this clause 12, the Company agrees promptly to reimburse the Indemnified Party for that amount.

12.13 Reimbursement by Indemnified Party

If the Company pays an amount in relation to a Loss where it is entitled to contribution from the Indemnified Parties under this clause 12, the Indemnified Parties must promptly reimburse the Company for that amount.

12.14 Preservation of rights

Subject to clause 12.2, the rights of an Indemnified Party in respect of this clause 12 will not in any way be prejudiced or affected by:

- (a) any involvement by that Indemnified Party in the preparation of, or any approval given by that Indemnified Party in relation to, any of the Information Documents;
- (b) any consent to be named in the Information Documents;
- (c) any knowledge (actual or constructive) of any failure by the Company to perform or observe any of their obligations under this agreement or of any non-compliance by any entity in the Group with any statutory or ASX requirement concerning the Offer or any of the Information Documents;
- (d) any termination by the Underwriter;
- (e) any inaccuracy in any representation or warranty made by the Company under this agreement; or
- (f) any other fact, matter or thing (other than an express waiver) which might otherwise constitute a waiver of or in any way prejudice or affect any right of an Indemnified Party.

12.15 Benefits of indemnity

Each Indemnified Party, whether or not a party to this agreement, will be entitled to the benefit of this clause 12 and this clause 12 is entered into and may be enforced on that Indemnified Party's behalf by the Underwriter.

12.16 Third parties

Where Loss is suffered by the Company for which the Underwriter would otherwise be jointly and severally liable with any third party or third parties to the Company, the extent to which such Loss will be recoverable by the Company from the Underwriter will:

- (a) be limited so as to be in proportion to the Underwriter's contribution to the overall fault for such Loss, as agreed between the Underwriter and the Company or, in the absence of agreement, as finally determined by a court of competent jurisdiction; and
- (b) be no more than it would have been had any arrangements which limit the extent to which the Company may claim against a third party or parties in connection with the Offer (Relevant Limitation) not existed.

The Company acknowledges that the degree to which the Underwriter may rely on the work of any such third party (if any) will be unaffected by any Relevant Limitation.

13 Confidentiality

- (a) Each party agrees to keep the terms of this agreement confidential subject to any applicable law or the rules of any relevant stock exchange or any order currently binding on a party.
- (b) The Company agrees that any communications prepared by the Underwriter under this agreement are for the use and information of the Company. They may not be relied on by any other person. The Company agrees that it will not disclose such communications to any third party (other than its professional advisers or as required by law or a Governmental Agency or in connection with any judicial or administrative process) or summarise or refer to such communications without, in each case, the Underwriter's prior written consent (such consent not to be unreasonably withheld or delayed).
- (c) This agreement contemplates that the Company may supply to the Underwriter certain non-public or proprietary information concerning the Company and the Offer (**Confidential Information**). The Underwriter agrees that it will not, without the prior written consent of the Company and the Joint Lead Managers, disclose any Confidential Information to any person, other than its related bodies corporate and Affiliates and their respective officers, directors, employees, representatives, auditors and advisers in which case the Underwriter must only disclose to the extent necessary in connection with the Offer and on the basis that the Underwriter must use reasonable endeavours to ensure the recipients do not disclose the Confidential Information. This restriction will not apply to:
 - (i) any Confidential Information which was known to the Underwriter at the time of disclosure of the Confidential Information except as a result of a prior confidential disclosure to the Underwriter by the Company;
 - (ii) any Confidential Information which becomes publicly available other than as a result of the breach of the Underwriter's undertakings under this agreement; or
 - (iii) any Confidential Information the Underwriter are required to disclose by law, to any regulatory authority, court, tribunal or stock exchange or in connection with any judicial or administrative process.
- (d) In clause 13(c), publicly available information includes information which is or can be obtained by the Underwriter from any source other than a Group Member or their

respective officers, directors, employees, advisors or other representatives, provided that source has not, to the Underwriter's knowledge, breached a confidentiality obligation concerning such information.
