Notes to the condensed financial statements

1. Corporate information

Firebird Metals Limited (Firebird Metals or the Company) is a for-profit entity for the purpose of preparing the financial statements. Principal activities include exploration and evaluation of mineral resources and pursuing various investment opportunities in the resources sector designed to add shareholder value by acquiring, exploring, evaluating and exploiting mineral resource project opportunities in Australia.

Firebird Metals is domiciled in Australia whose shares are publicly traded and listed on the 18 March 2021 on Australian Securities Exchange (ASX:FRB). The address of its registered office and its principal place of business Suite 20, 513 Hay Street, Subiaco WA 6008.

The financial statements were approved and authorised for issue by the Board of Directors on 25 February 2022.

2. Basis of preparation and statement of compliance

The interim financial statements for the half year have been prepared in accordance with AASB 134 Interim Financial Reporting and the Corporations Act 2001.

The interim condensed financial statements do not include all of the information required for full annual financial statements and should be read in conjunction with the annual financial statements of the Company for the year ended 30 June 2021 and any public announcements made by the Company during the Half Year in accordance with the continuous disclosure requirements of the Corporations Act 2001 and the ASX Listing Rules.

Selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in financial position and performance of the Company since the last annual financial statements.

Going concern

The interim financial report has been prepared on the going concern basis, which contemplates the continuity of normal business activity and the realisation of assets and the settlement of liabilities in the ordinary course of business.

The Company incurred a loss for the half-year of \$327,196 and net cash outflows of \$2,179,640.

The ability of the Company to continue as a going concern is principally dependent upon the ability of the Company to secure funds by raising capital from equity markets and managing cash flow in line with available funds. These conditions indicate a material uncertainty that may cast significant doubt about the ability of the Company to continue as a going concern. In the event the above matters are not achieved, the Company will be required to raise funds for working capital from debt or equity sources.

The directors have prepared a cash flow forecast, which indicates that the Company will have sufficient cash flows to meet all commitments and working capital requirements for the 12 month period from the date of signing this interim financial report.

Based on the cash flow forecasts and other factors referred to above, the directors are satisfied that the going concern basis of preparation is appropriate. In particular, given the Company's history of raising capital to date, the directors are confident of the Company's ability to raise additional funds as and when they are required.

Should the Company be unable to continue as a going concern it may be required to realise its assets and extinguish its liabilities other than in the normal course of business and at amounts different to those stated in the interim financial statements. The interim financial statements do not include any adjustments relating to the recoverability and classification of asset carrying amounts or to the amount and classification of liabilities that might result should the Company be unable to continue as a going concern and meet its debts as and when they fall due.

Notes to the condensed financial statements

3. New and amended accounting standards

The accounting policies adopted in the preparation of the interim financial statements are consistent with those applied in the preparation of the Company's annual financial statements for the year ended 30 June 2021.

Standards and Interpretations applicable to 31 December 2021

In the period ended 31 December 2021, the Directors have reviewed all of the new and revised Standards and Interpretations issued by the AASB that are relevant to the Company and effective for the current reporting period. As a result of this review, the Directors have determined that there is no material impact of the new and revised Standards and Interpretations on the Company and, therefore, no material change is necessary to accounting policies.

Standards and Interpretations in issue not yet adopted

The Directors have also reviewed all of the new and revised Standards and Interpretations in issue not yet adopted for the period ended 31 December 2021. As a result of this review the Directors have determined that there is no material impact of the Standards and Interpretations in issue not yet adopted on the Company and, therefore, no change is necessary to accounting policies.

4. Segment Reporting

AASB 8 Operating Segments requires operating segments to be identified on the basis of internal reports about components of the Company that are regularly reviewed by the Chief Operating Decision Maker in order to allocate resources to the segment and to assess its performance.

The Company's operating segments have been determined with reference to the monthly management accounts used by the Chief Operating Decision maker to make decisions regarding the Company's operations and allocation of working capital. Due to the size and nature of the Company, the Board as a whole has been determined as the Chief Operating Decision Maker.

Based on the quantitative thresholds included in AASB 8, there is only one reportable segment, being Manganese projects exploration and development and one geographical segment, namely East Pilbara Manganese Province.

The revenues and results of this segment are those of the Company as a whole and are set out in the Condensed Statement of Profit or Loss and Other Comprehensive Income and the assets and liabilities of the Company as a whole are set out in the Condensed Statement of Financial Position.

5. Exploration and evaluation

Directors' declaration

In accordance with a resolution of the directors of Firebird Metals Ltd, I state that:

In the opinion of the directors of Firebird Metals Ltd:

- a) The half year financial statements and notes of Firebird Metals Ltd for the half year ended 31 December 2021 are in accordance with the Corporations Act 2001, including:
 - (i) giving a true and fair view of the Company's half year financial position as at 31 December 2021 and of its performance for the half year ended on that date; and
 - (ii) complying with Accounting Standard AASB 134 *Interim Financial Reporting*.
- b) There are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

On behalf of the board

Independent Auditor's Review Report

To the Members of Firebird Metals Limited

Report on the review of the half-year financial report

Conclusion

We have reviewed the accompanying half-year financial report of Firebird Metals Limited (the Company), which comprises of the condensed statement of financial position as at 31 December 2021, and the condensed statement of profit or loss and other comprehensive income, condensed statement of changes in equity and condensed statement of cash flows for the half year ended on that date, a description of accounting policies, other selected explanatory notes, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of Firebird Metals Limited does not comply with the *Corporations Act 2001* including:

- a) giving a true and fair view of the Firebird Metals Limited financial position as at 31 December 2021 and of its performance for the half year ended on that date; and
- b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Material uncertainty related to going concern

We draw attention to Note 2 in the financial report, which indicates that the Company incurred a net loss of \$327,196 during the half year ended 31 December 2021 and, as of that date, the Company reported operating net cash outflows of \$2,179,640. As stated in Note 2, these events or conditions, along with other matters as set forth in Note 2, indicate that a material uncertainty exists that may cast significant doubt on the Company's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

Directors' responsibility for the half-year financial report

The Directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the Directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Company's financial position as at 31 December 2021 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
