

COMPANY ANNOUNCEMENT

June 27, 2024

Tamboran Resources Corporation (ASX: TBN)

Tamboran prices US IPO at US\$24.00 per share

Highlights

- Tamboran Resources Corporation (“Tamboran” or the “Company”) today announced the pricing of its initial public offering of 3,125,000 shares of Common Stock at a price to the public of US\$24.00 per share, raising gross proceeds of US\$75 million to fund the ongoing drilling activities for the proposed Shenandoah South Pilot Project in the Beetaloo Basin.
- Tamboran has granted the underwriters a 30-day option to purchase up to an additional 468,750 shares of its common stock at the initial public offering price, less underwriting discount.
- The raising was well supported by US\$20 million from existing shareholders Sheffield Holdings, LP (an affiliate of Bryan Sheffield) and Liberty Energy.
- Tamboran shares will commence trading on the New York Stock Exchange on June 27, 2024, under the ticker symbol “TBN”. The offering is expected to close on June 28, 2024, subject to customary closing conditions.
- BofA Securities, Citigroup, and RBC Capital Markets are acting as joint book-running managers for the proposed offering. Johnson Rice & Company and Piper Sandler are acting as co-managers for the proposed offering.

About Tamboran Resources Corporation

Tamboran Resources Corporation (“Tamboran” or the “Company”), through its subsidiaries, is the largest acreage holder and operator with approximately 1.9 million net prospective acres in the Beetaloo Sub-basin within the Greater McArthur Basin in the Northern Territory of Australia.

Tamboran’s key assets include a 38.75% working interest and operatorship in EPs 98, 117 and 76, a 100% working interest and operatorship in EP 136 and a 25% non-operated working interest in EP 161, which are all located in the Beetaloo Basin.

Note on Forward-Looking Statements

The information contained in this release contains certain forward-looking statements. All statements, other than statements of historical fact included herein, included regarding the size, timing or results of the initial public offering are forward-looking statements. When used in this release, words such as “expect,” “project,” “estimate,” “believe,” “anticipate,” “intend,” “budget,” “plan,” “seek,” “may,” “should,” “would,” “could,” “will,” “authorize,” “grant,” the negative of these term and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain such identifying words. These forward-looking statements are based on our current expectations and assumptions about future events and are based on currently available information as to the outcome and timing of future events. When considering forward-looking statements, you should keep in mind the risk factors and other cautionary statements described in the section entitled “*Risk Factors*” in the prospectus included in the registration statement. These forward-looking statements are based on management’s current belief, based on currently available information, as to the outcome and timing of future events.

Although we believe that the assumptions underlying these forward-looking statements are reasonable, should one or more of the risks or uncertainties described in the prospectus included in the registration statement occur, or should underlying assumptions prove incorrect, actual outcomes and our results and financial condition may differ materially from those indicated in any forward-looking statements. In light of the significant uncertainties inherent in these forward-looking statements, the inclusion of such information should not be regarded as a representation by us or any other person that our objectives and plans will be achieved. All forward-looking statements, expressed or implied, included herein are

expressly qualified in their entirety by this cautionary statement. This cautionary statement should also be considered in connection with any subsequent written or oral forward-looking statements that we or persons acting on our behalf may issue.

All forward-looking statements, expressed or implied, in this release are based only on information currently available to us and speak only as of the date on which they are made. Except as otherwise required by applicable law, we disclaim any duty to publicly update any forward-looking statement, each of which is expressly qualified by the statements in this section, to reflect events or circumstances after the date of this release.
